Percentage of Austria's care work industry size relative to total industry size (broad,concise)

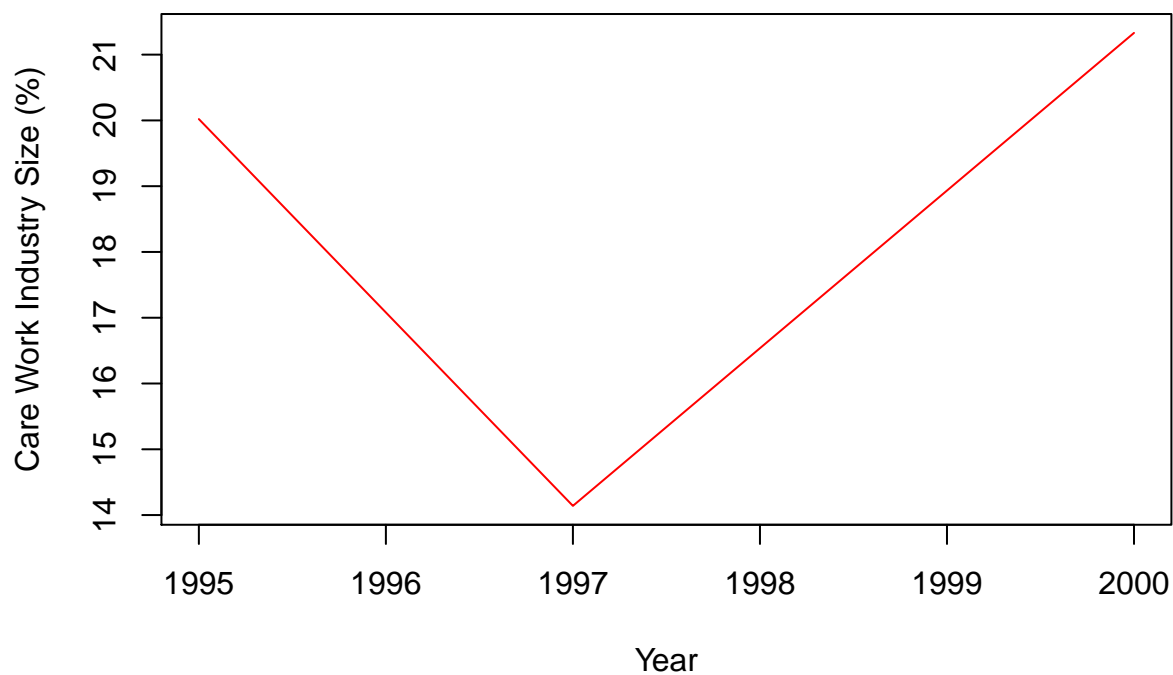

Austria's average personal Labour income in care work industry (broad,concise)

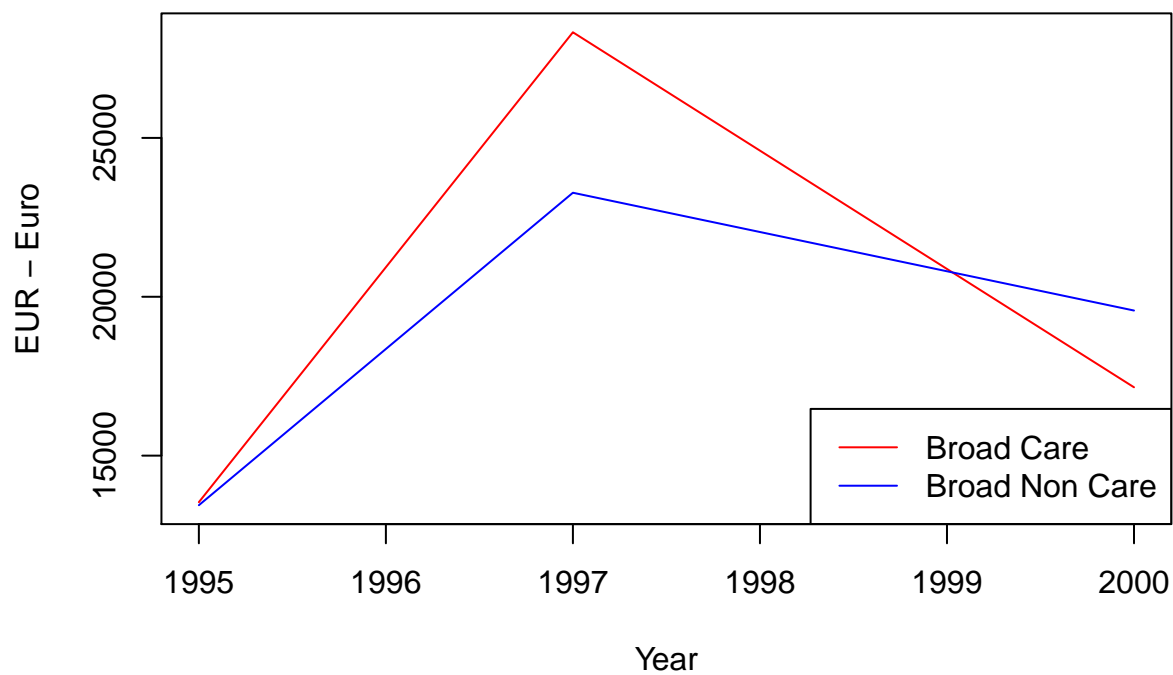

Belgium

Percentage of Belgium's care work industry size relative to total industry size (broad)

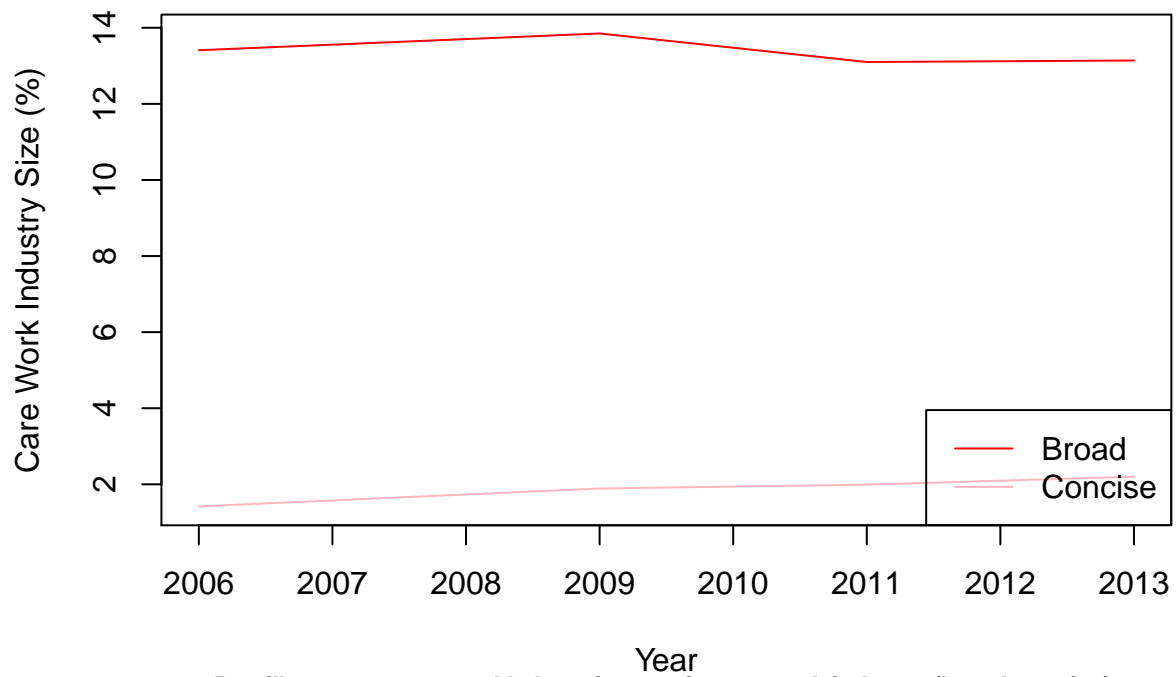

Belgium's average personal Labour income in care work industry (broad)

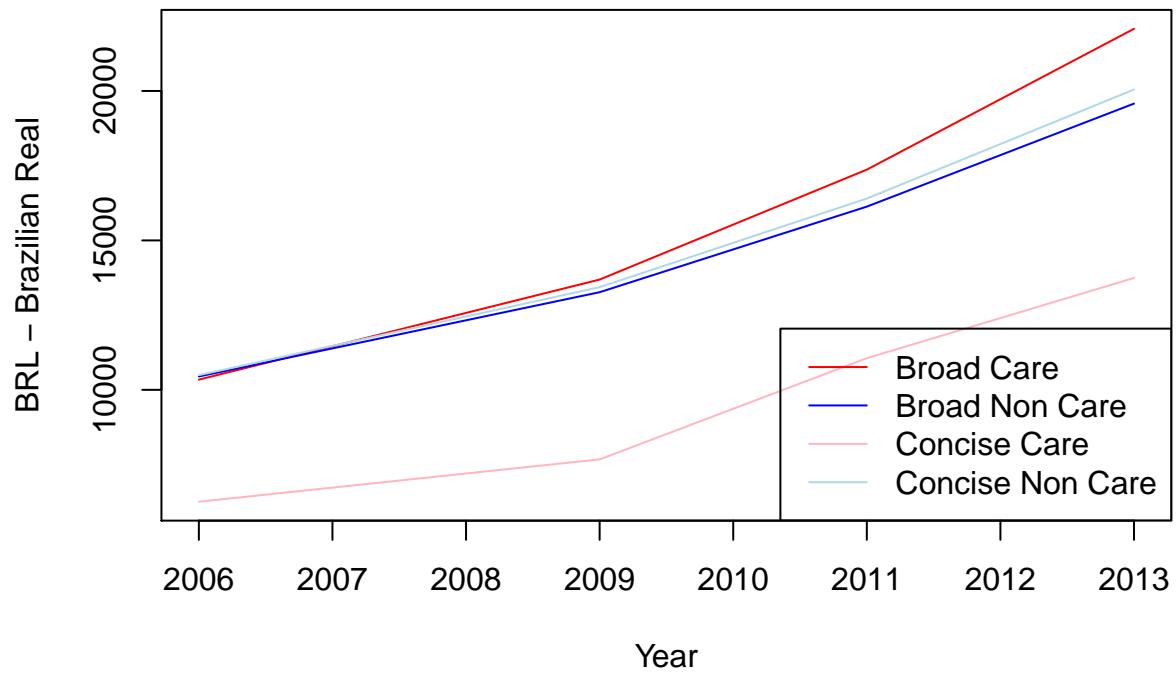

Brazil

Percentage of Brazil's care work industry size relative to total industry size (broad,concise)

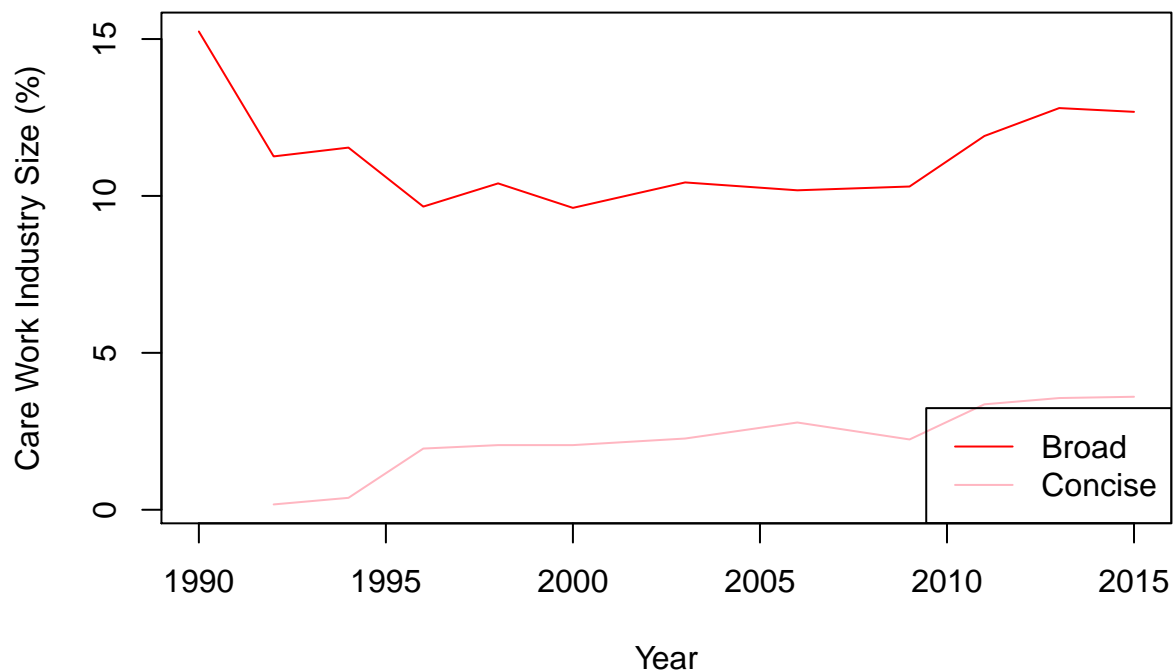

Brazil's average personal Labour income in care work industry (broad,concise)

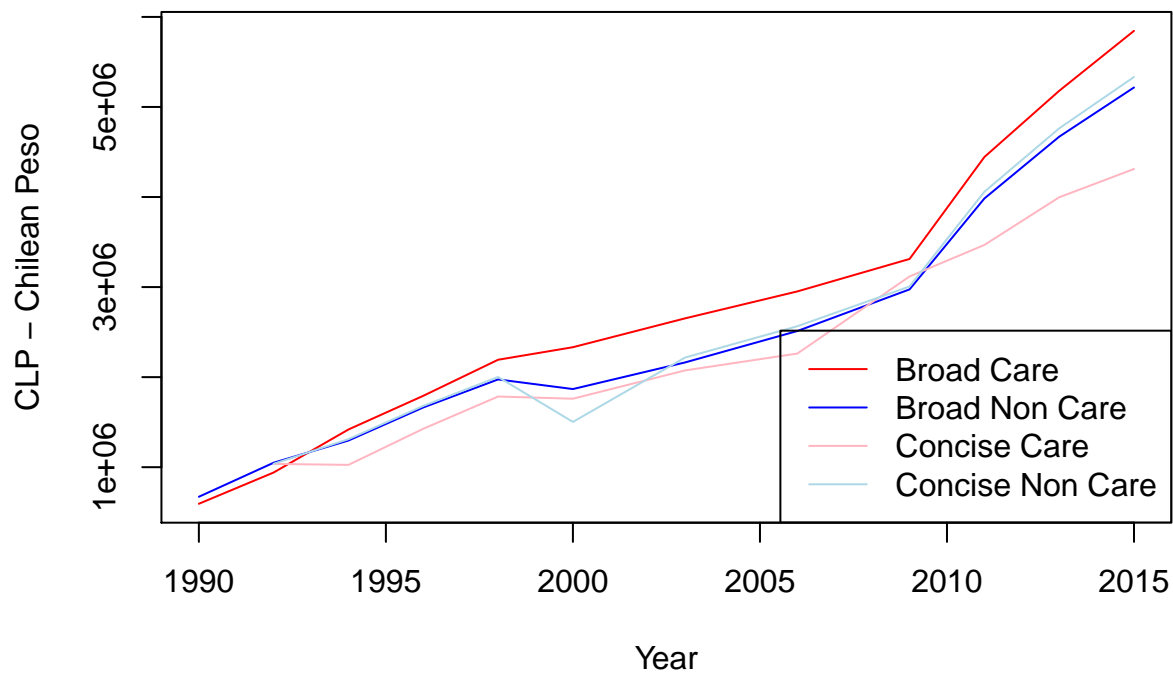

Chile

Percentage of Chile's care work industry size relative to total industry size (broad,concise)

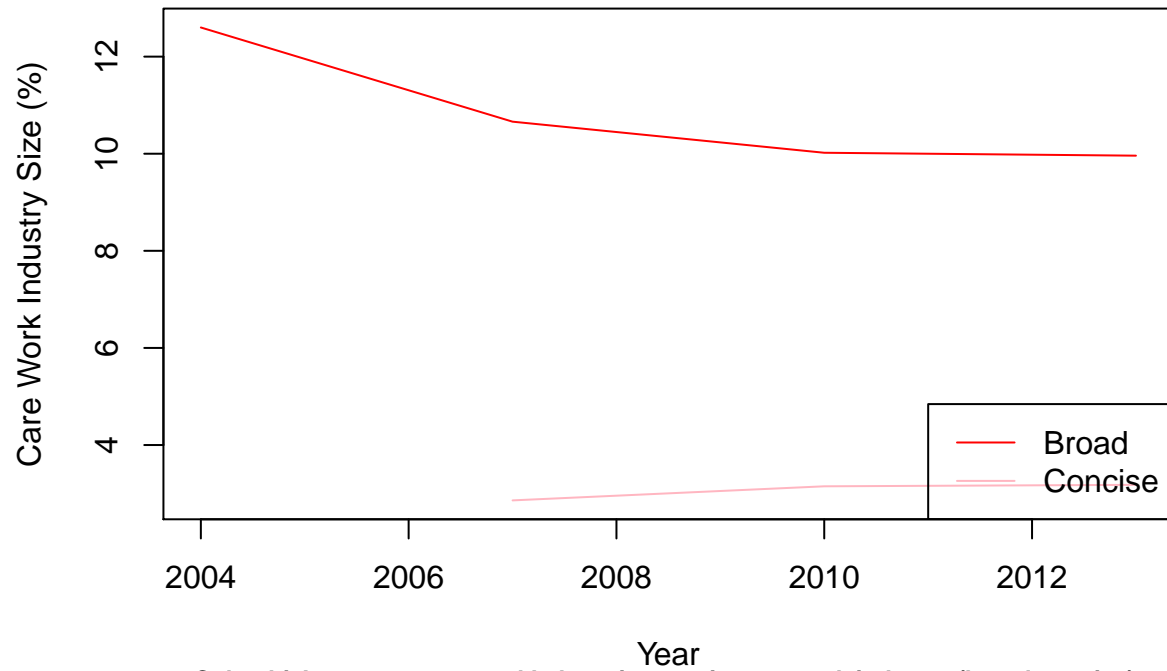

Chile's average personal Labour income in care work industry (broad,concise)

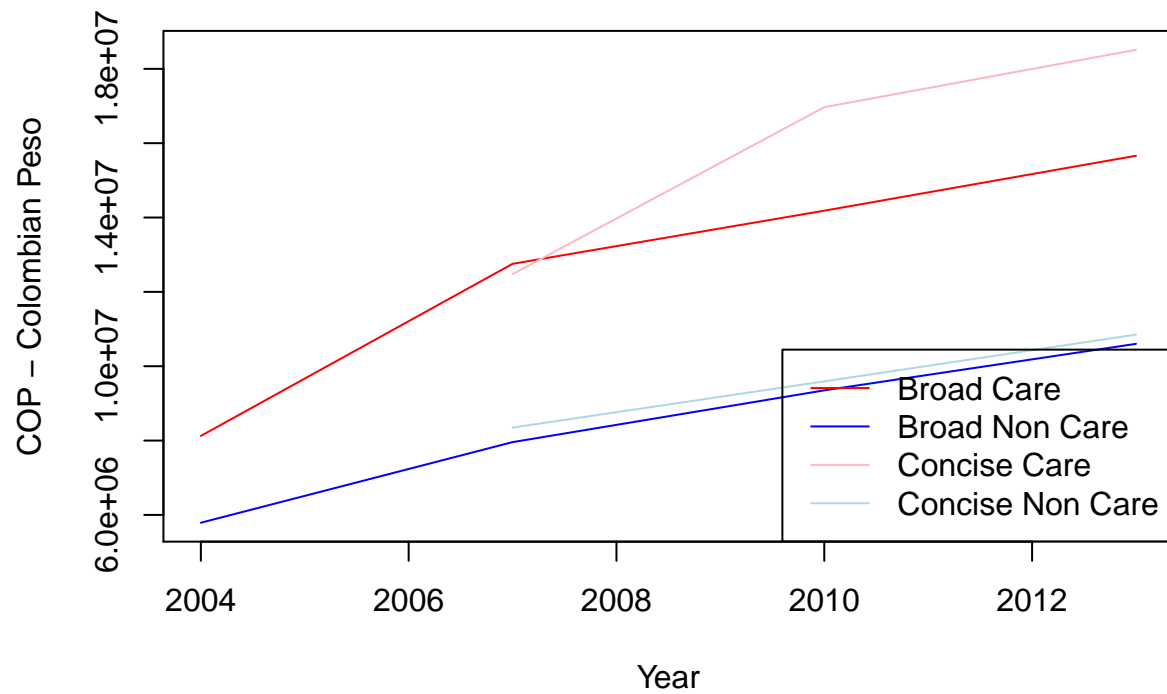

Columbia

Percentage of Columbia's care work industry size relative to total industry size (broad,concise)

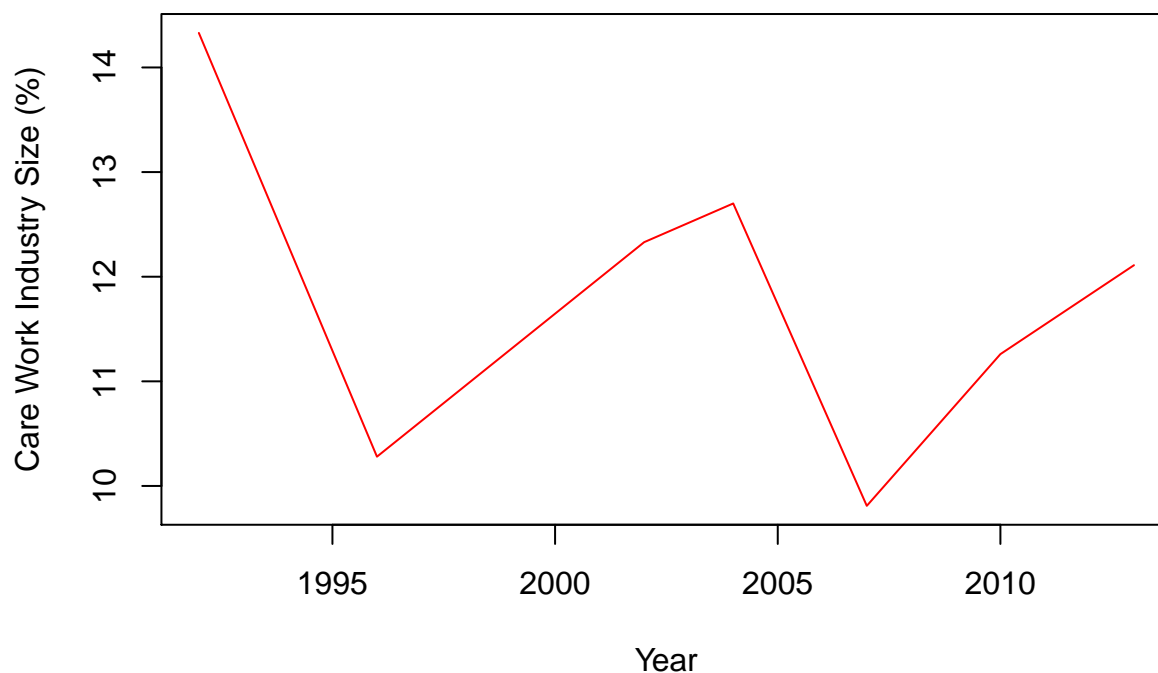

Columbia's average personal Labour income in care work industry (broad,concise)

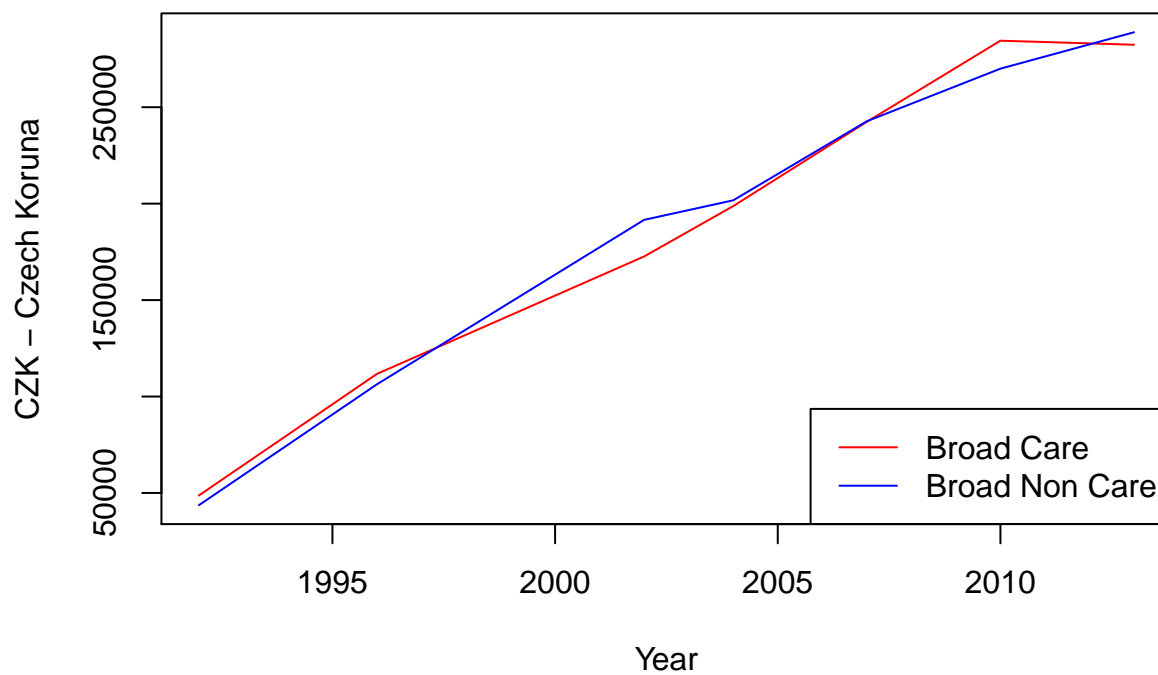

Czech Republic

Percentage of Czech Republic's care work industry size relative to total industry size (broad)

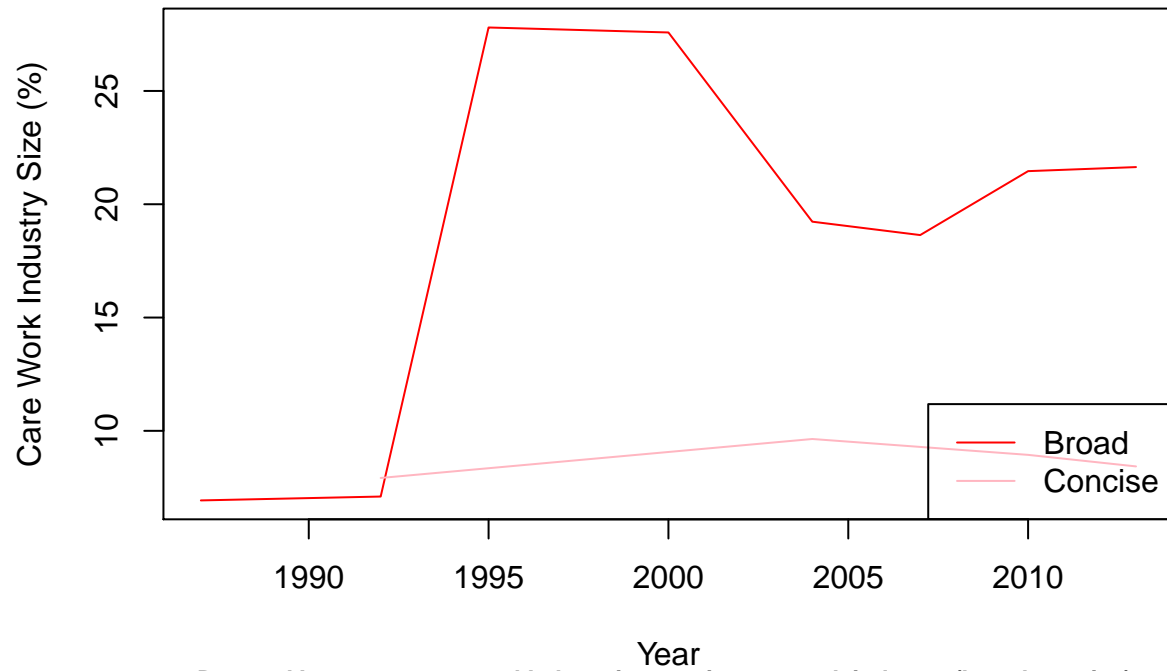

Czech Republic's average personal Labour income in care work industry (broad)

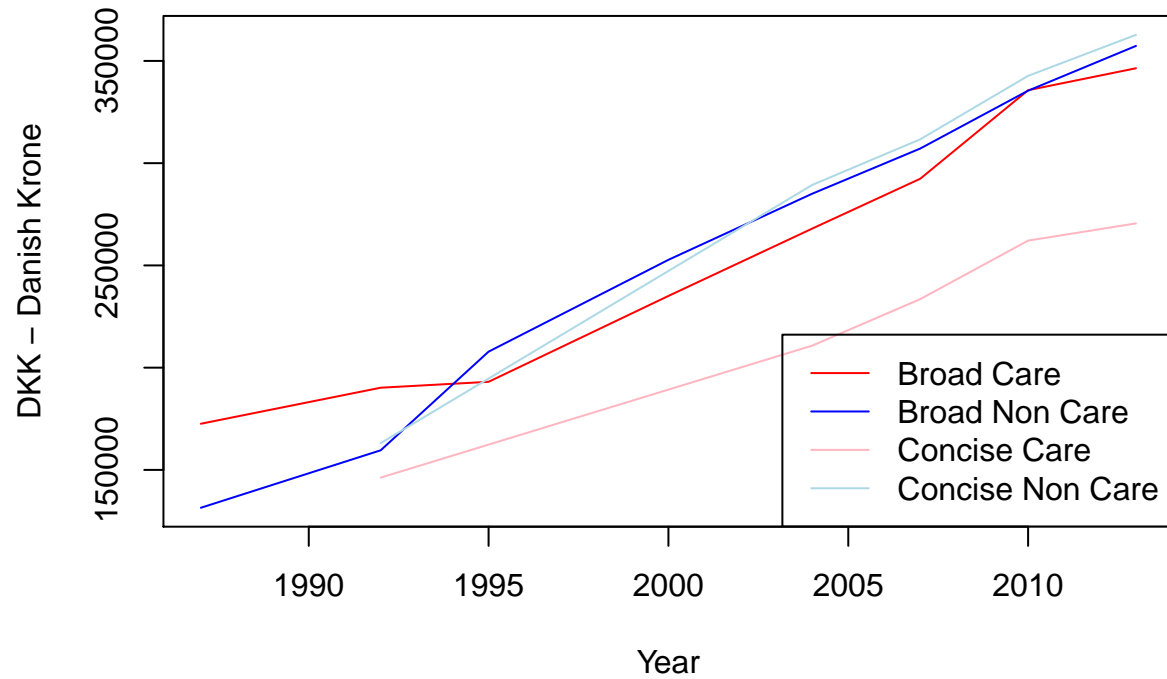

Denmark

Percentage of Denmark's care work industry size relative to total industry size (broad,concise)

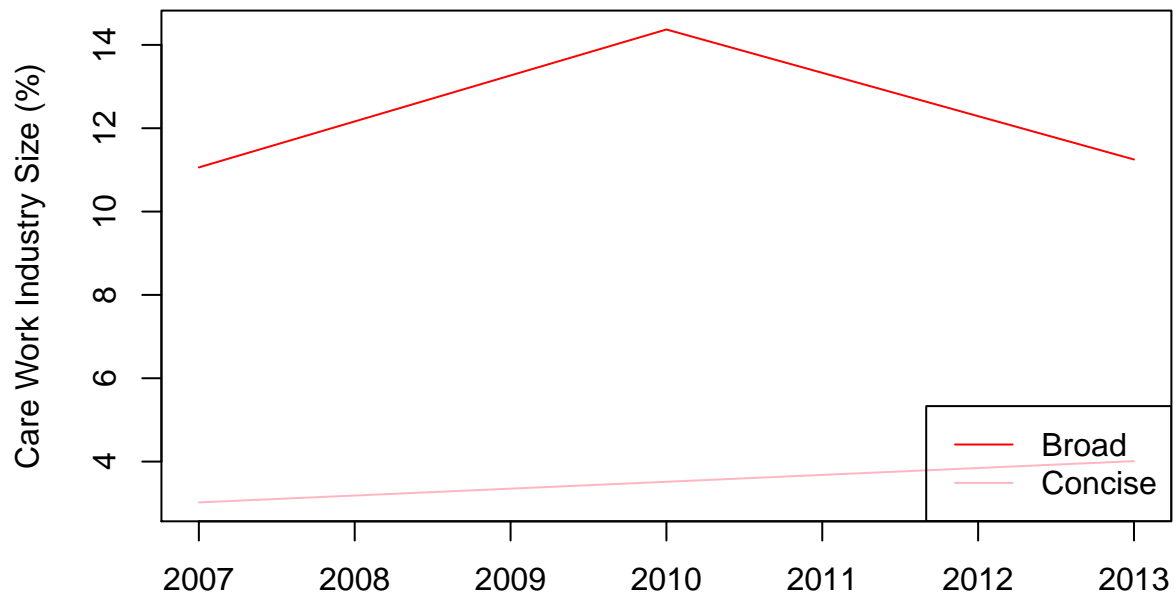

Denmark's average personal Labour income in care work industry (broad,concise)

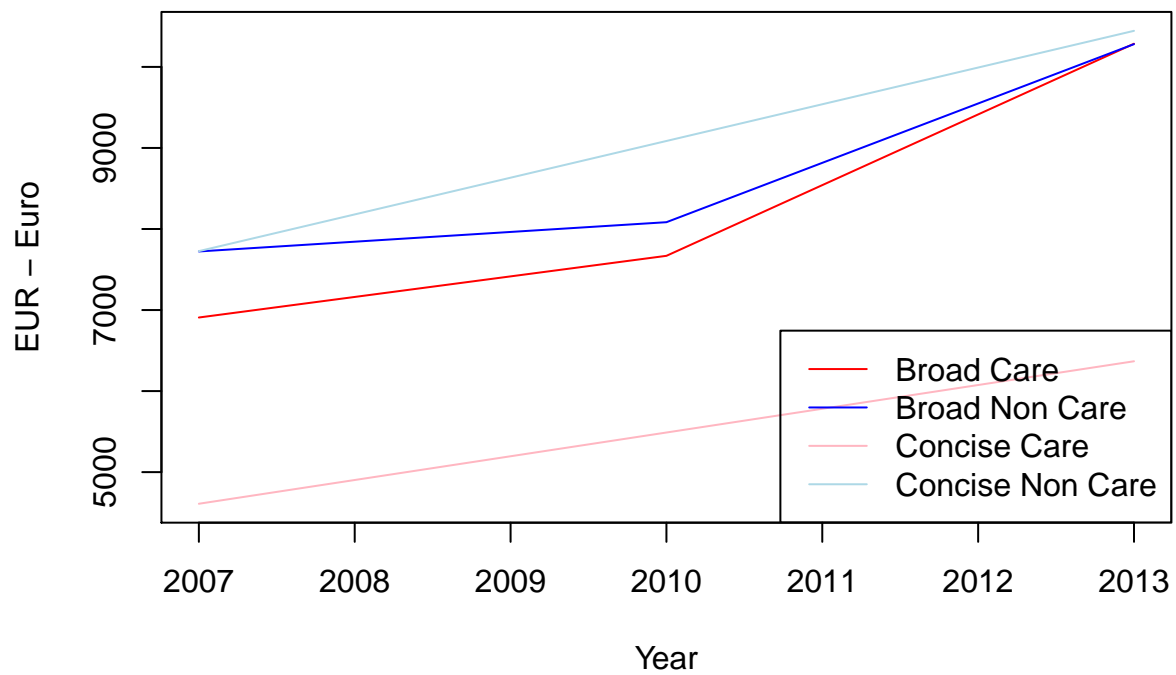

Estonia

Percentage of Estonia's care work industry size relative to total industry size (broad,concise)

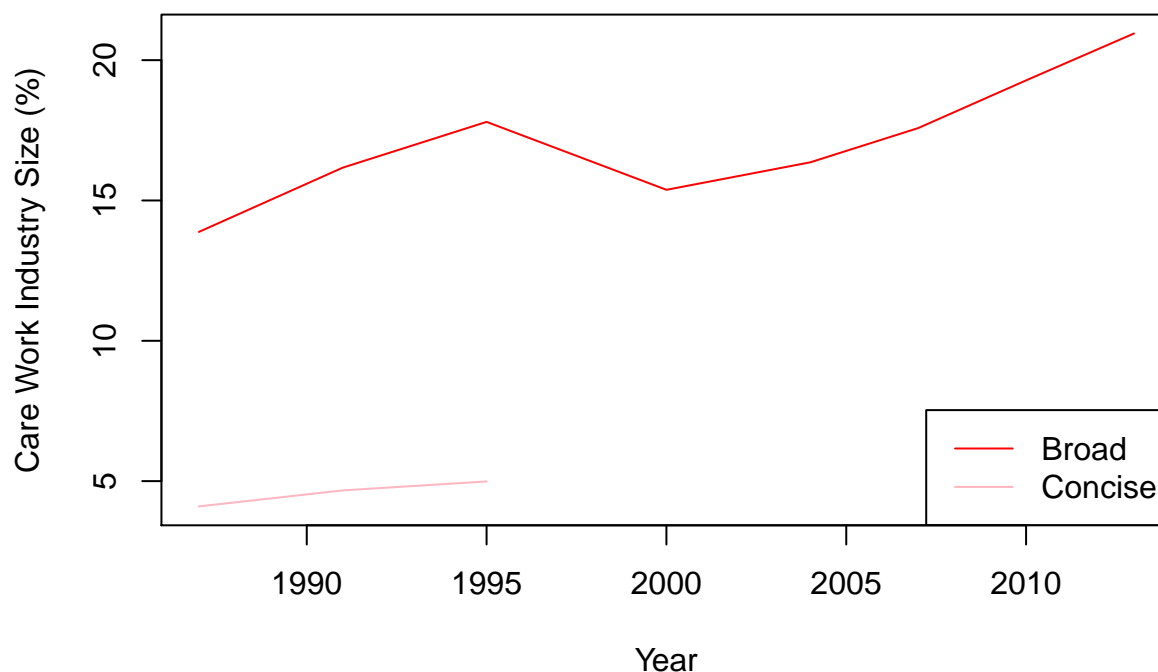

Estonia's average personal Labour income in care work industry (broad,concise)

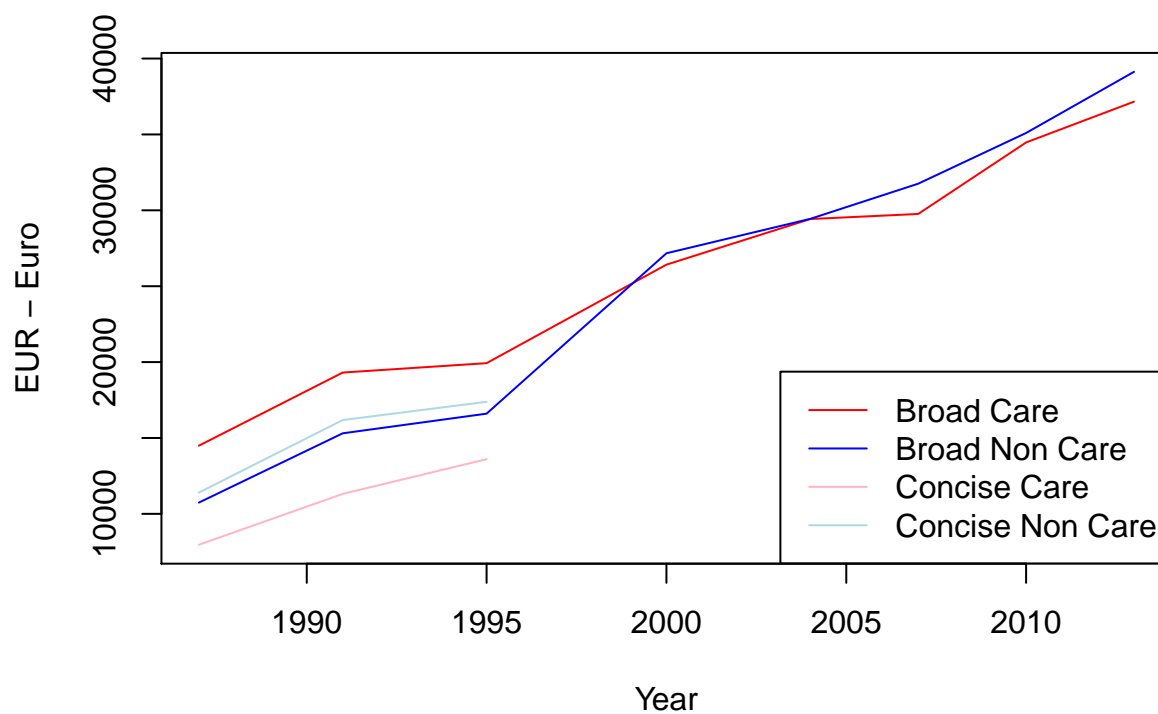

Finland

Percentage of Finland's care work industry size relative to total industry size (broad,concise)

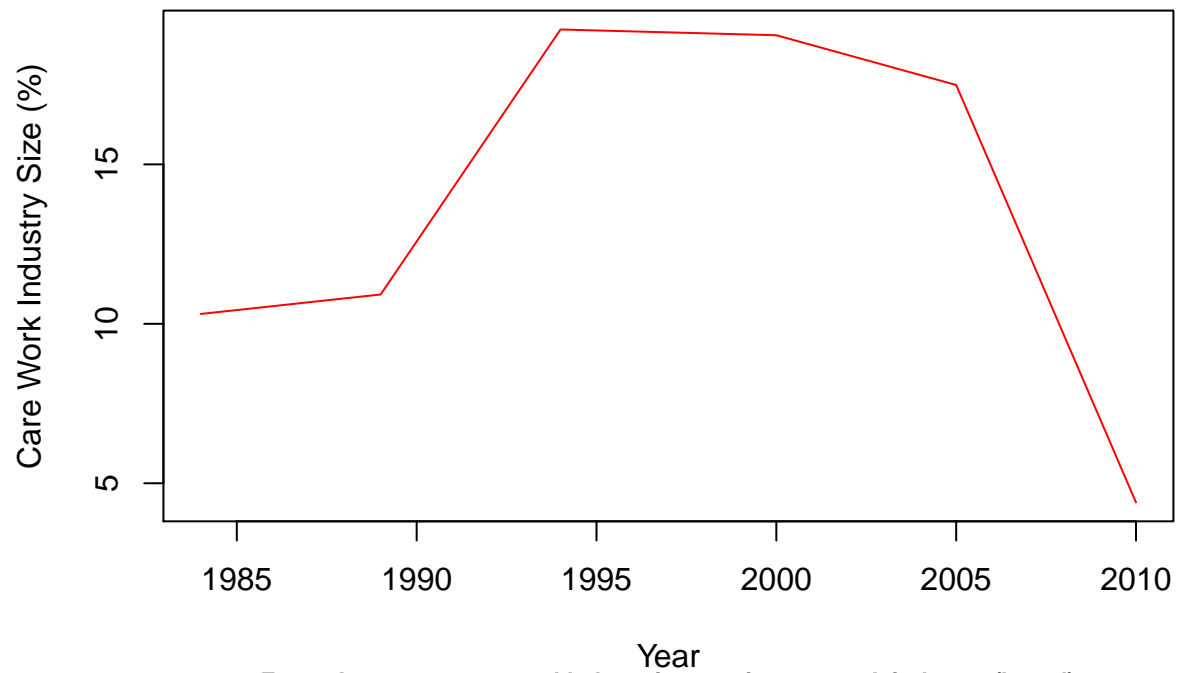

Finland's average personal Labour income in care work industry (broad,concise)

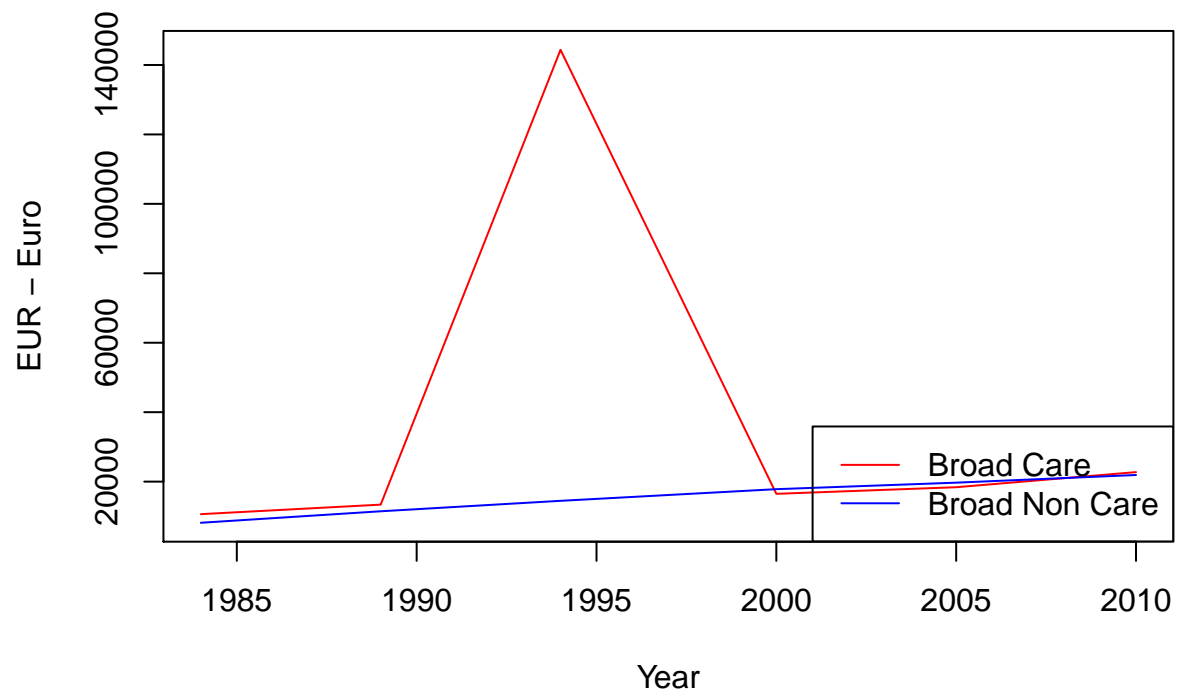

France

Percentage of France's care work industry size relative to total industry size (broad)

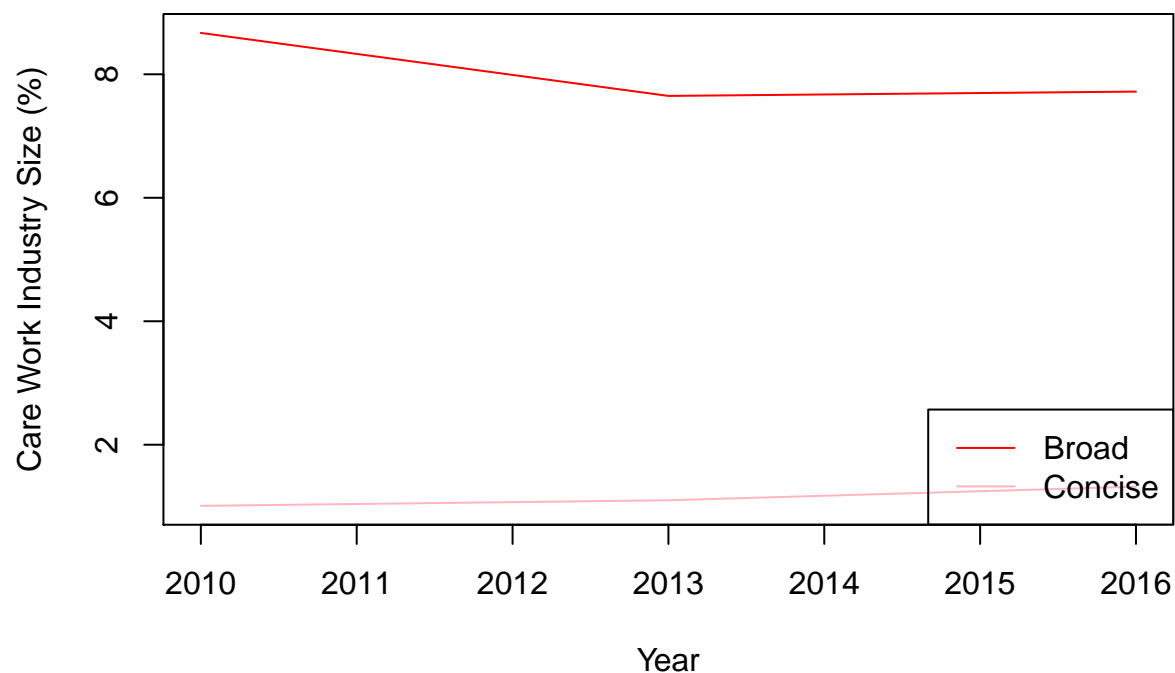

France's average personal Labour income in care work industry (broad)

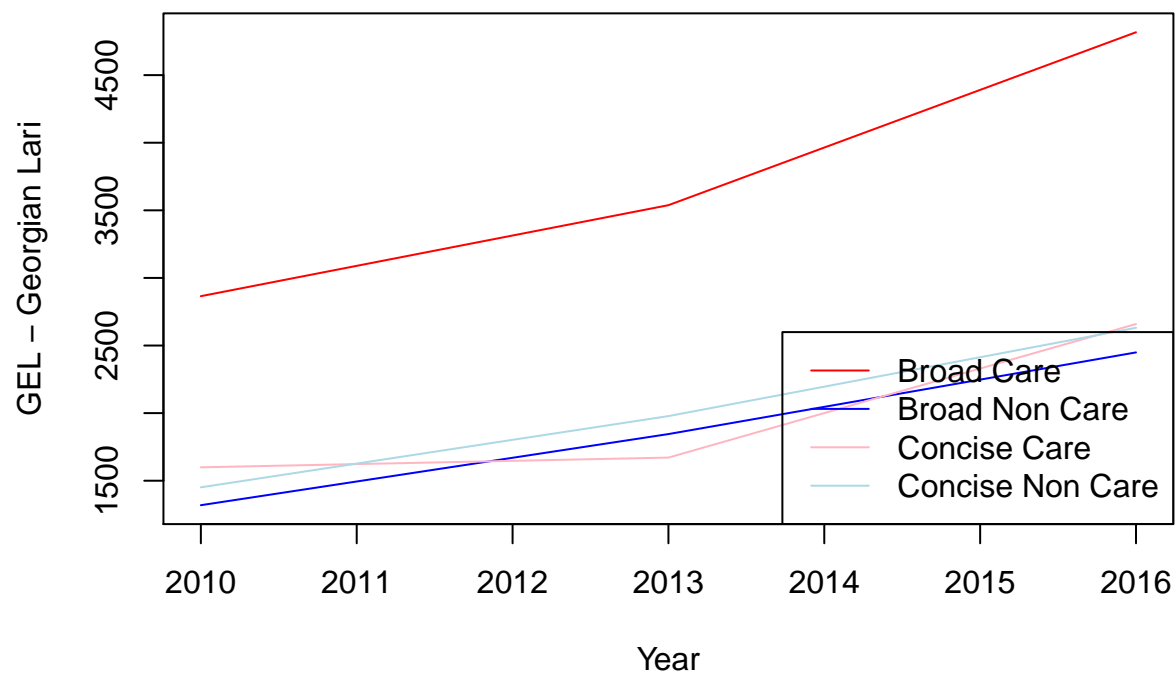

Georgia

Percentage of Georgia's care work industry size relative to total industry size (broad,concise)

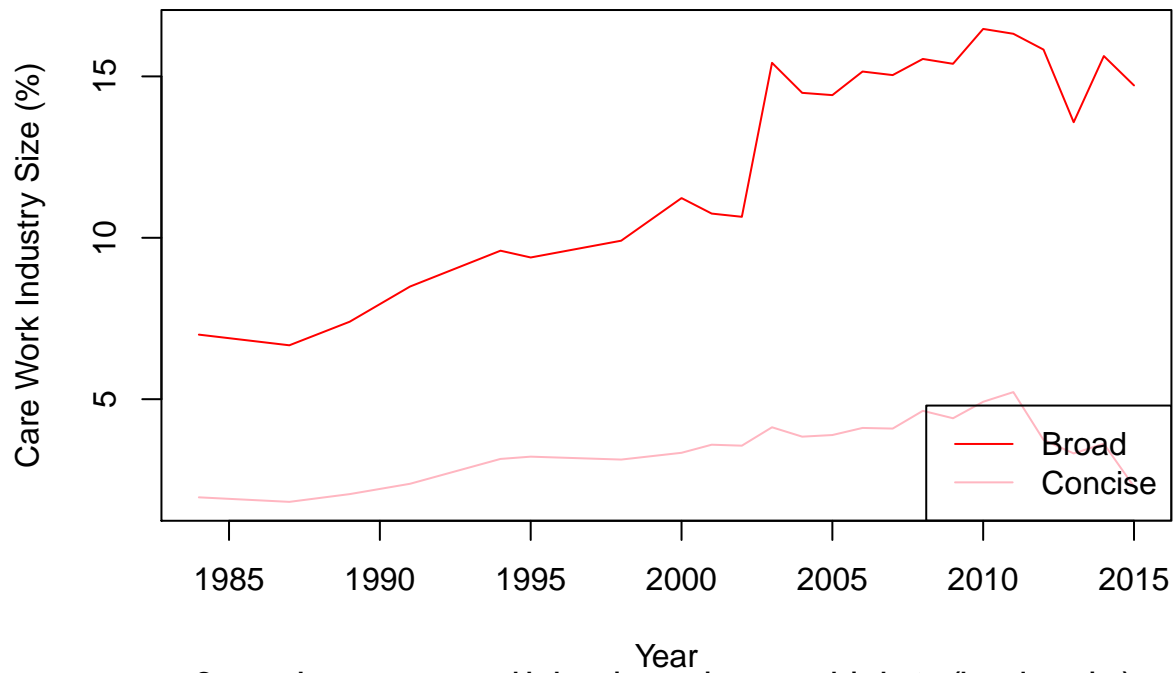

Georgia's average personal Labour income in care work industry (broad,concise)

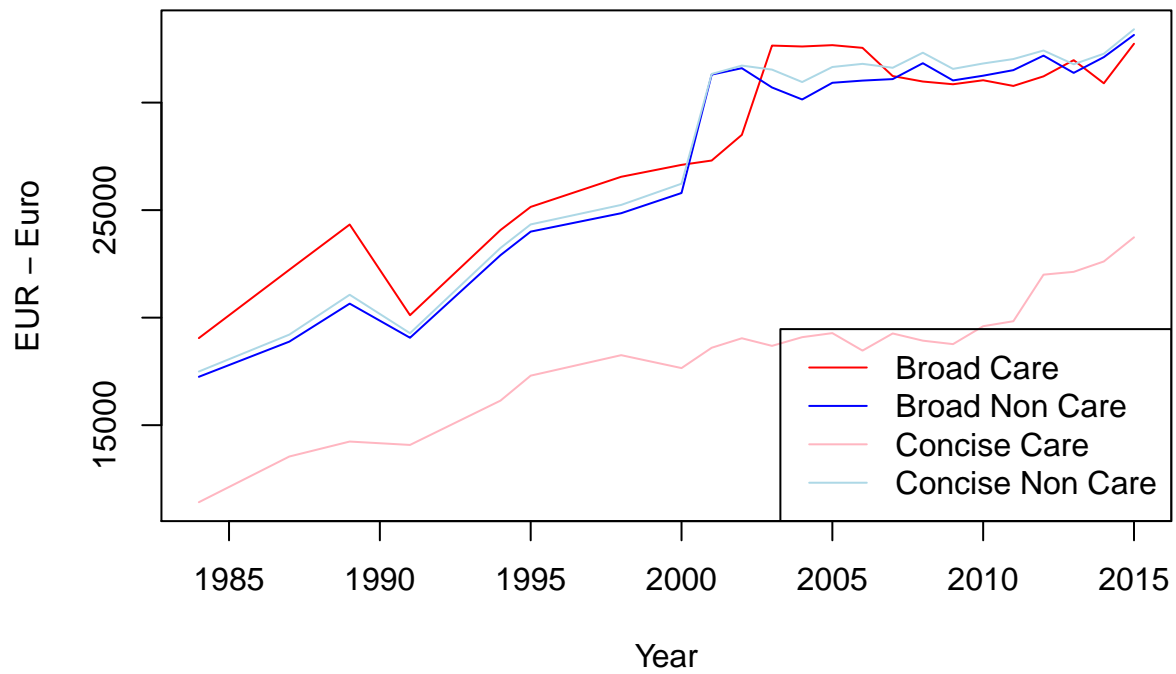

Germany

Percentage of Germany's care work industry size relative to total industry size (broad,concise)

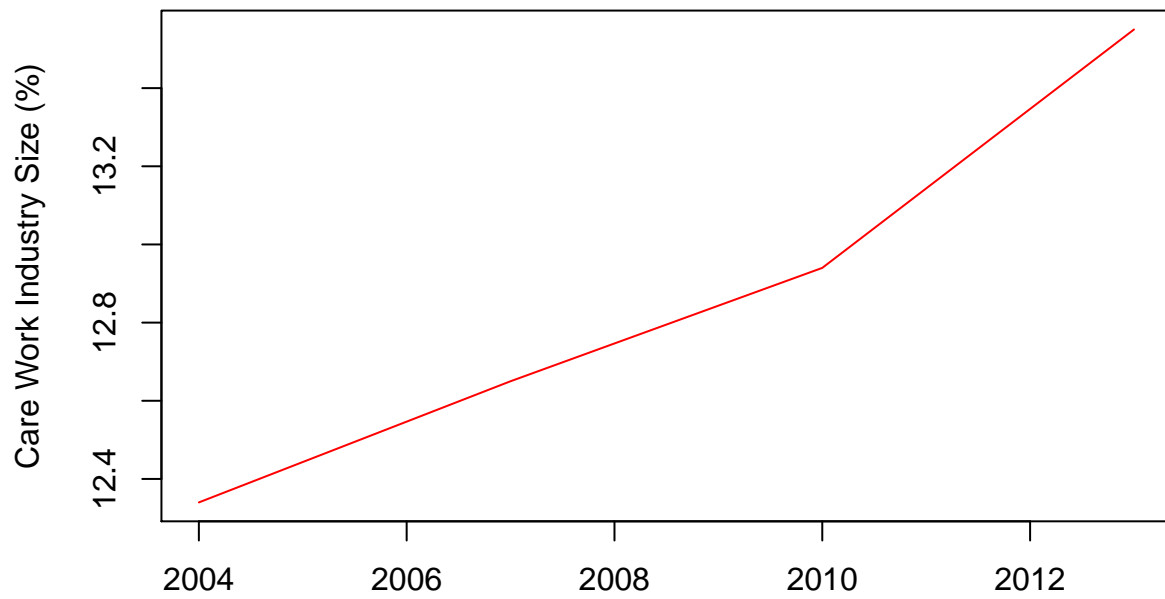

Germany's average personal Labour income in care work industry (broad,concise)

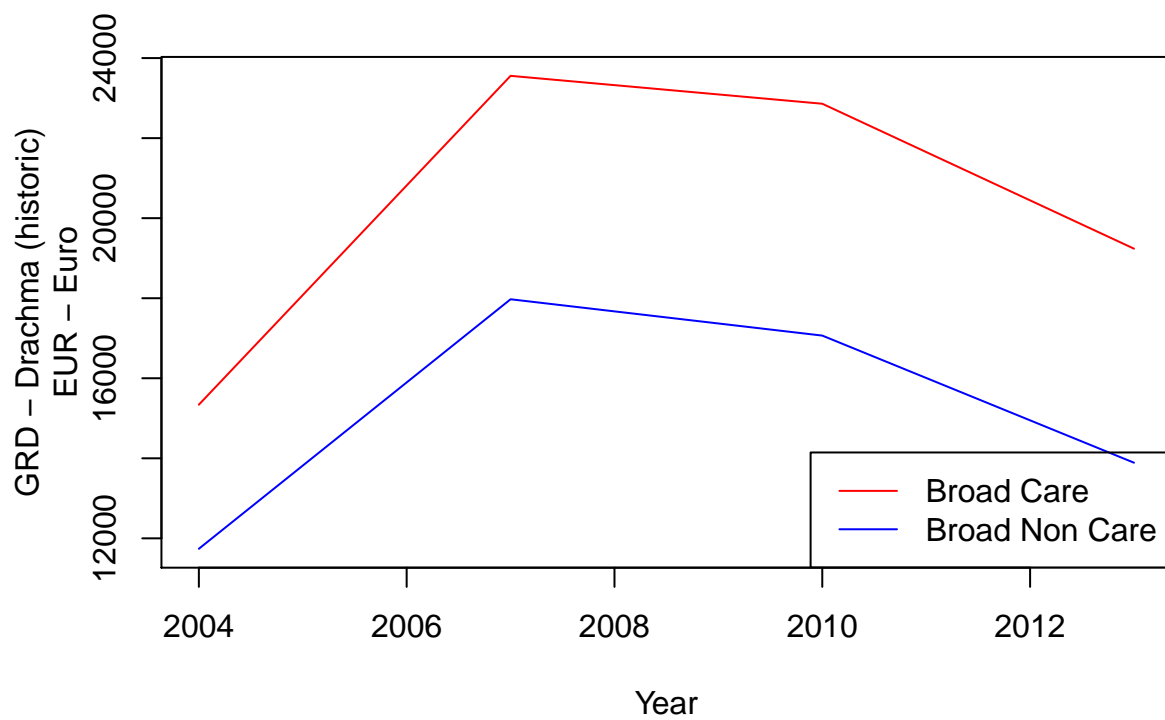

Greece

Percentage of Greece's care work industry size relative to total industry size (broad)

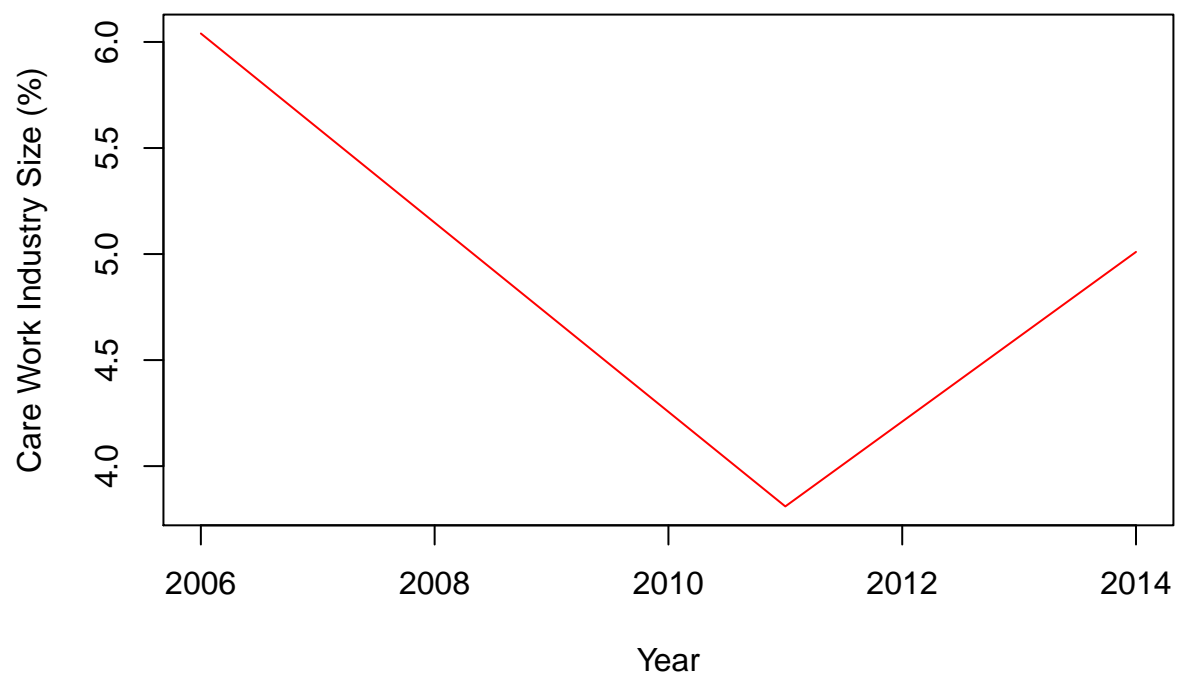

Greece's average personal Labour income in care work industry (broad)

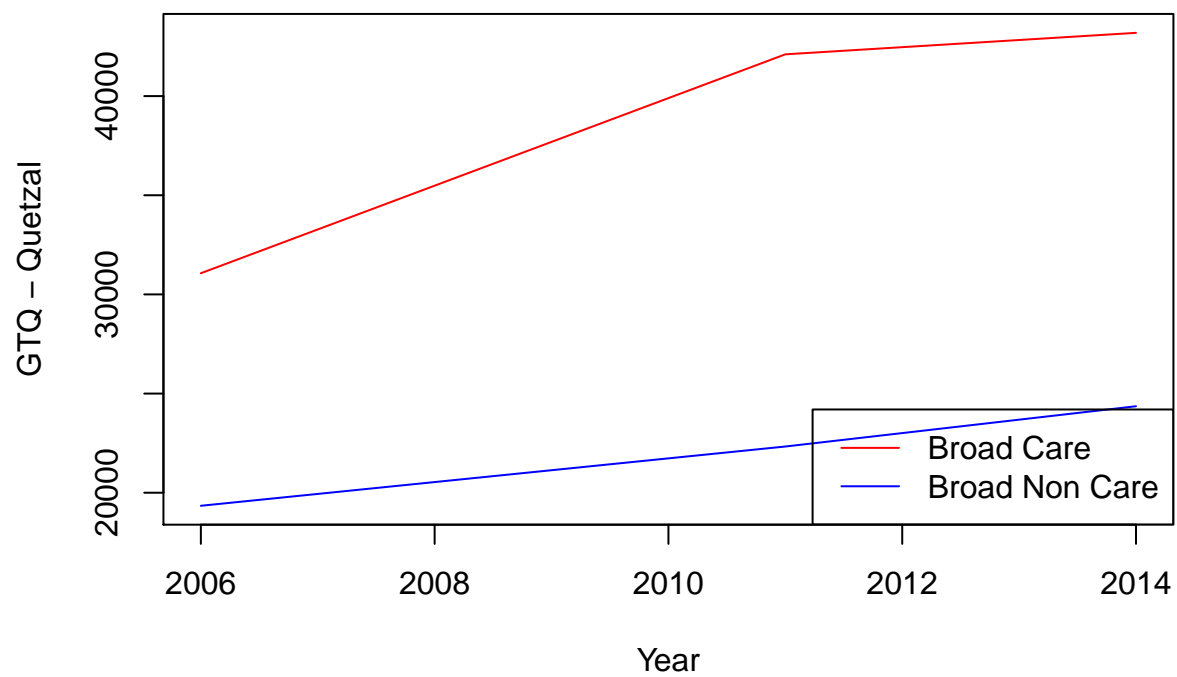

Guatemala

Percentage of Guatemala's care work industry size relative to total industry size (broad)

Guatemala's average personal Labour income in care work industry (broad)

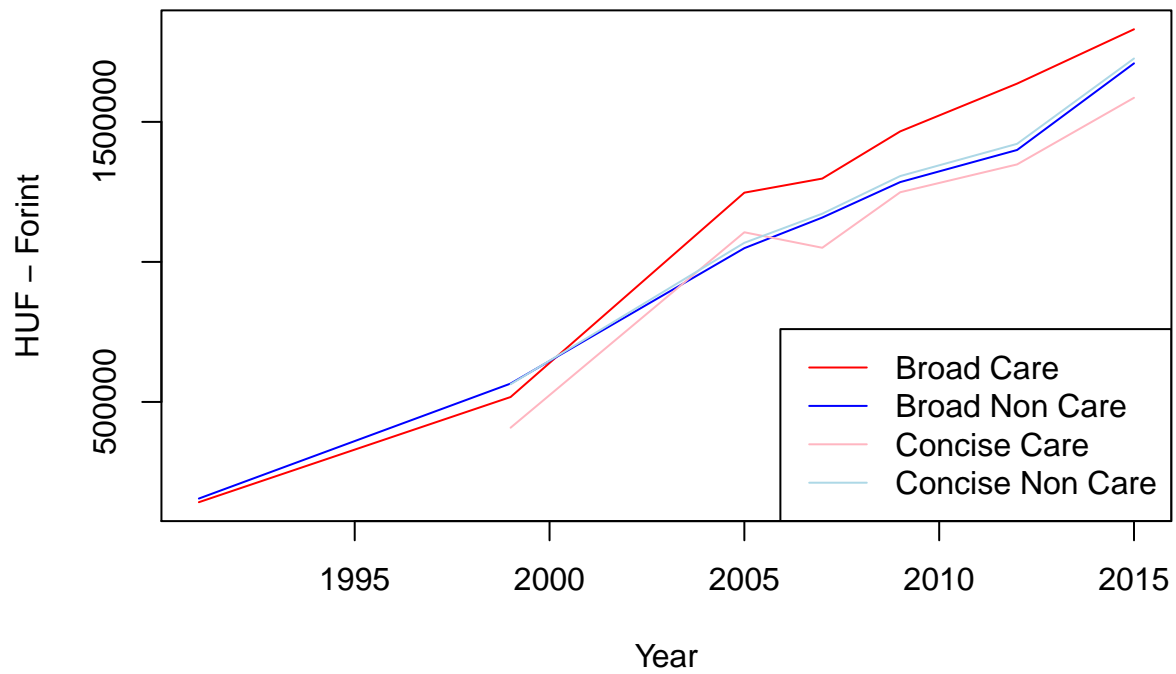

Hungary

Percentage of Hungary's care work industry size relative to total industry size (broad,concise)

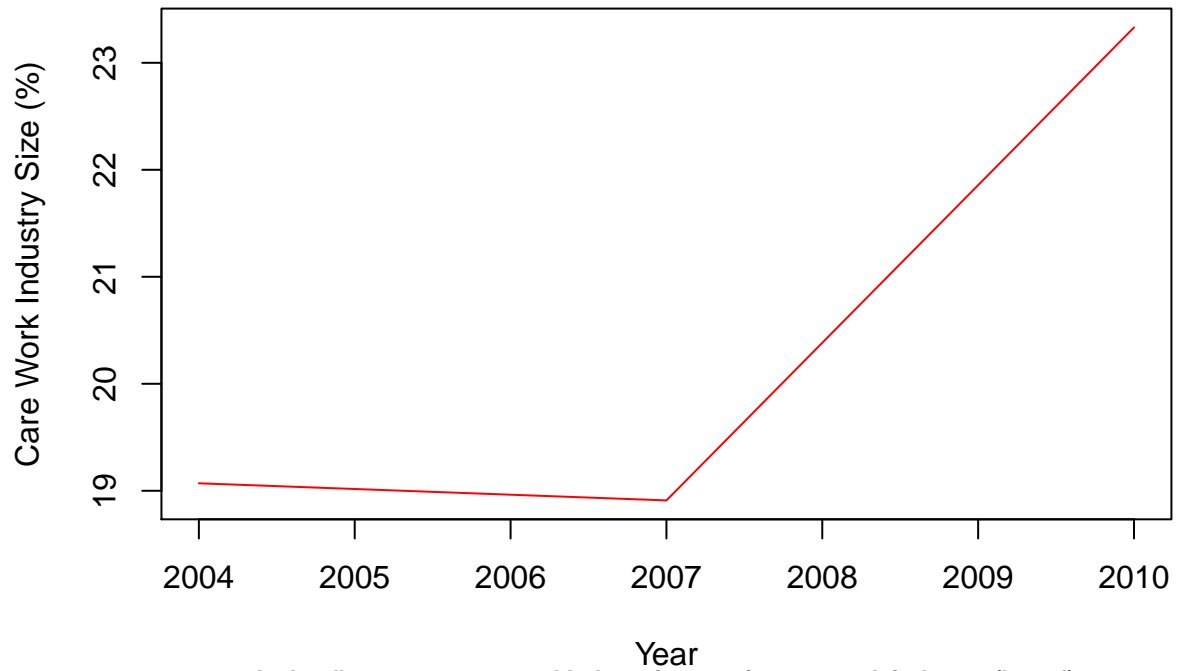

Hungary's average personal Labour income in care work industry (broad,concise)

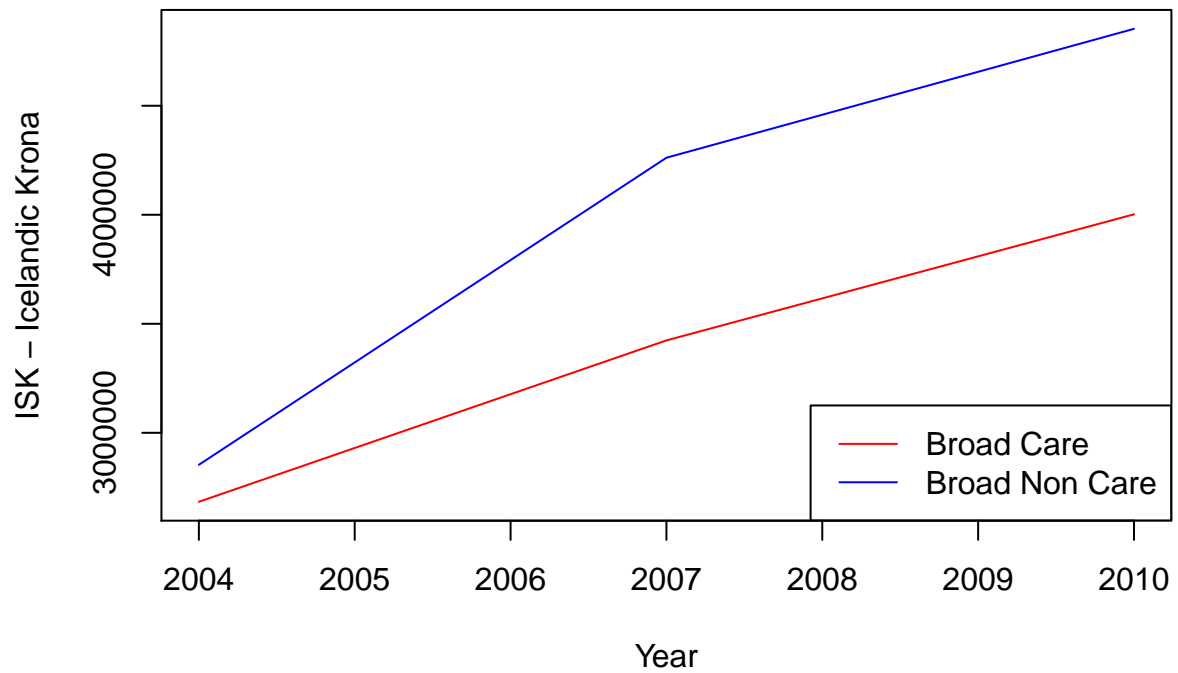

Iceland

Percentage of Iceland's care work industry size relative to total industry size (broad)

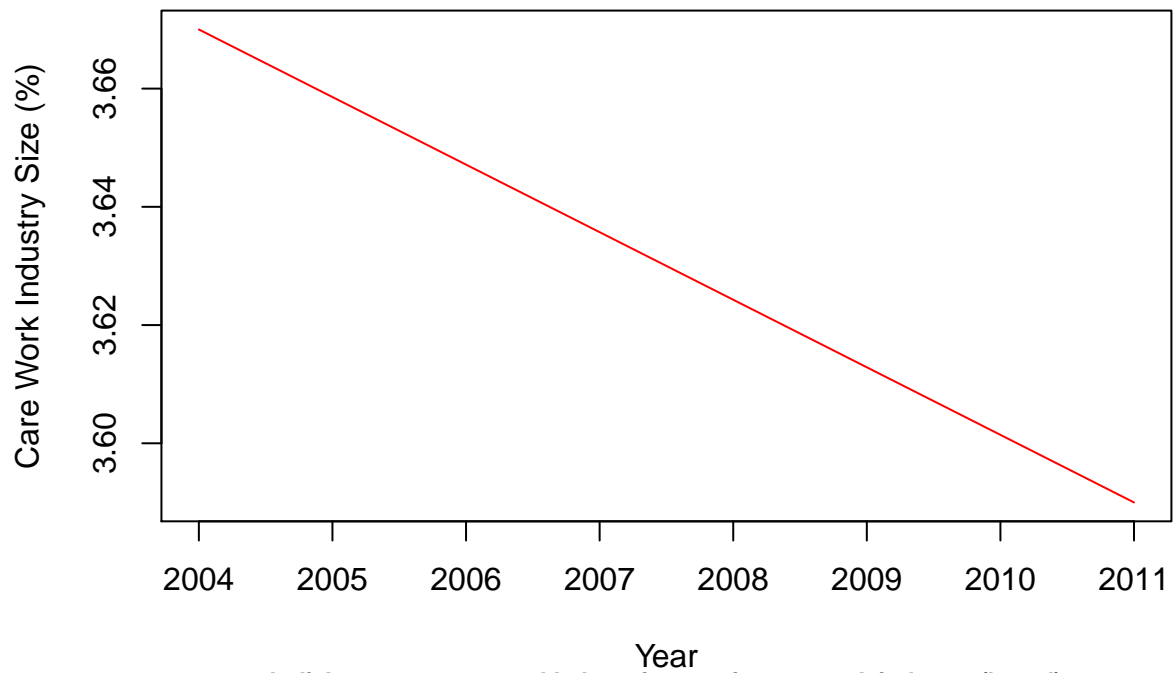

Iceland's average personal Labour income in care work industry (broad)

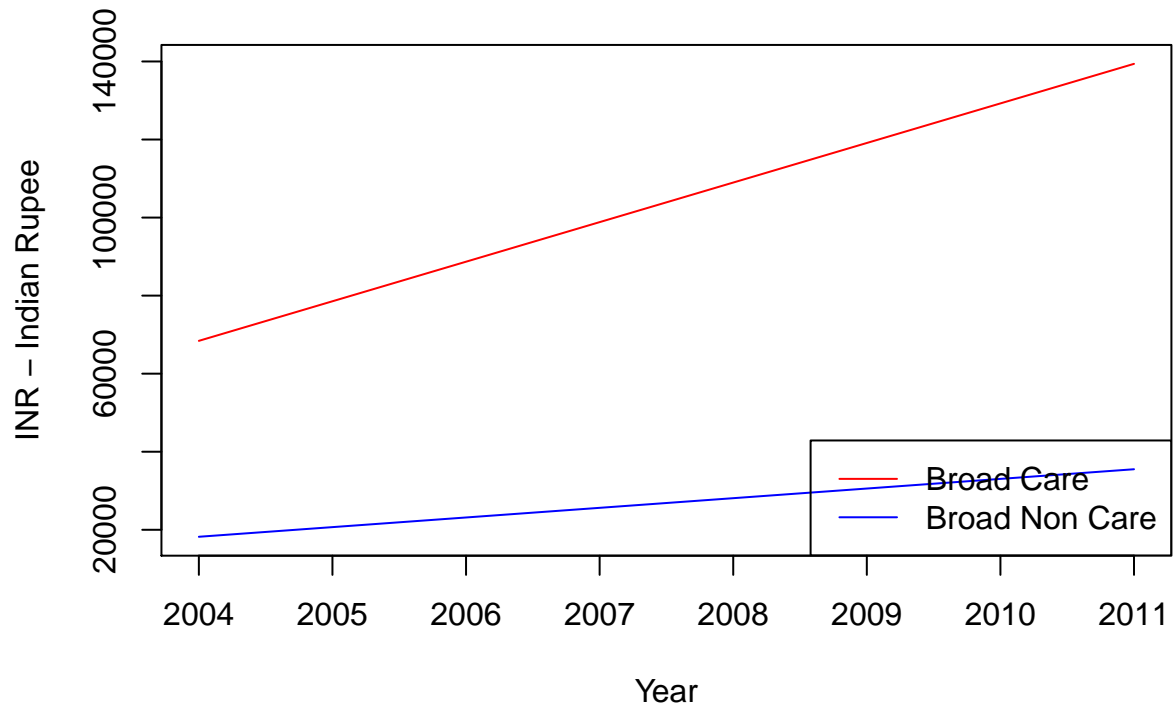

India

Percentage of India's care work industry size relative to total industry size (broad)

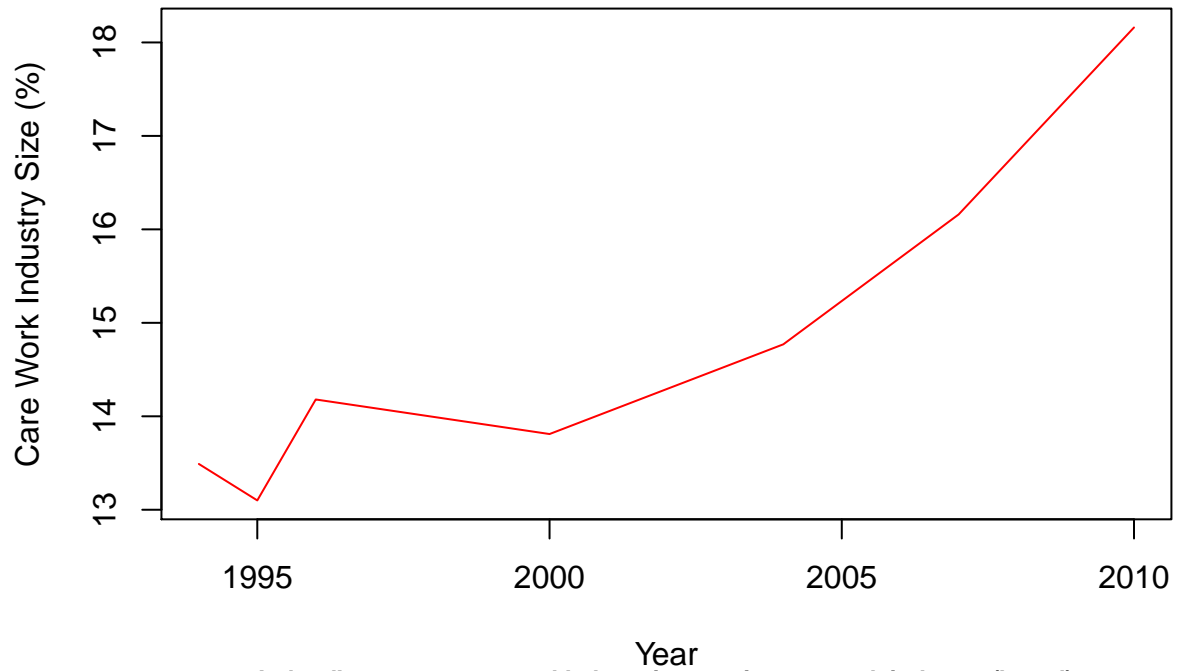

India's average personal Labour income in care work industry (broad)

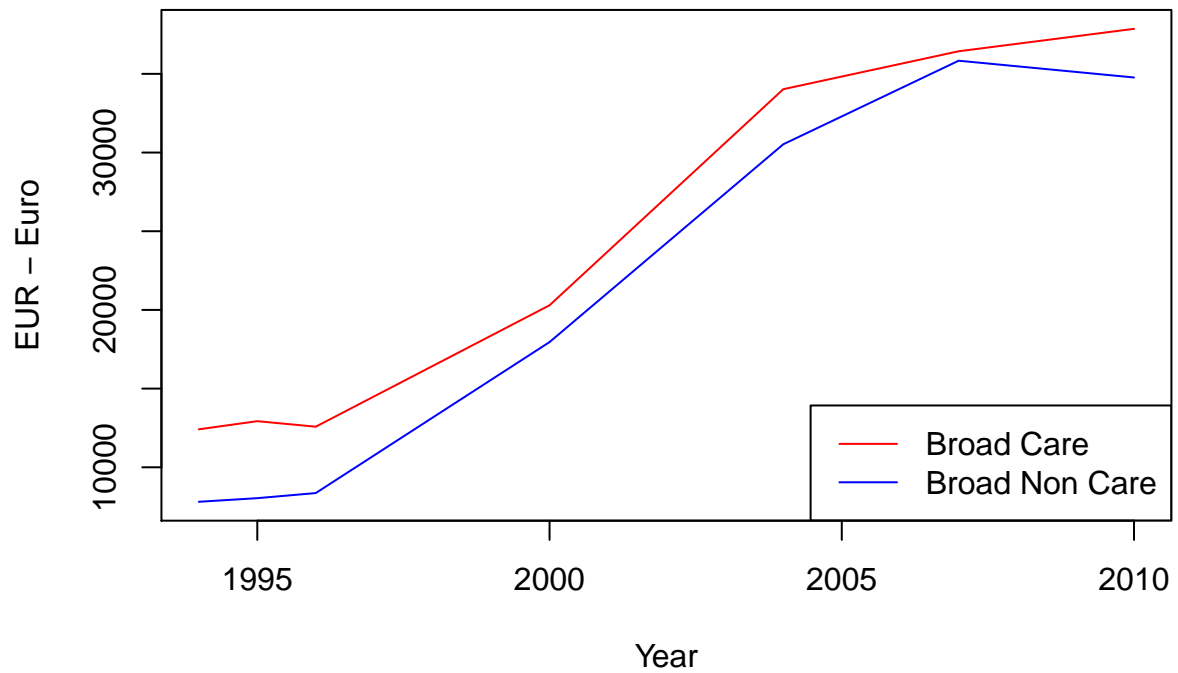

Ireland

Percentage of Ireland's care work industry size relative to total industry size (broad)

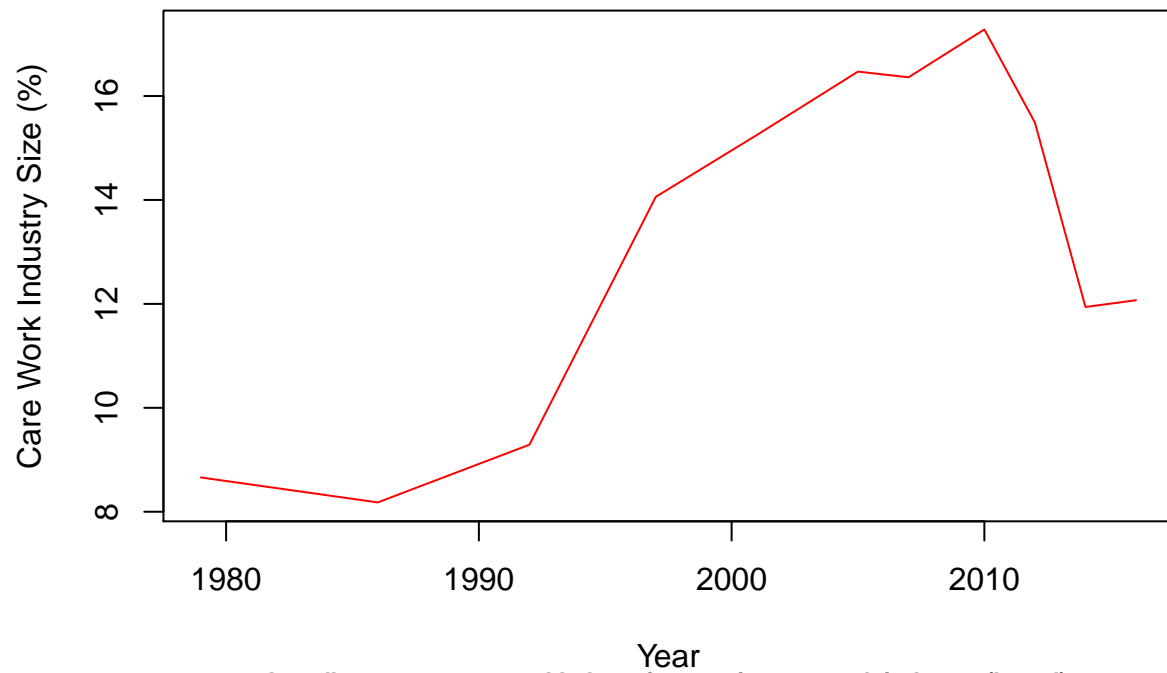

Ireland's average personal Labour income in care work industry (broad)

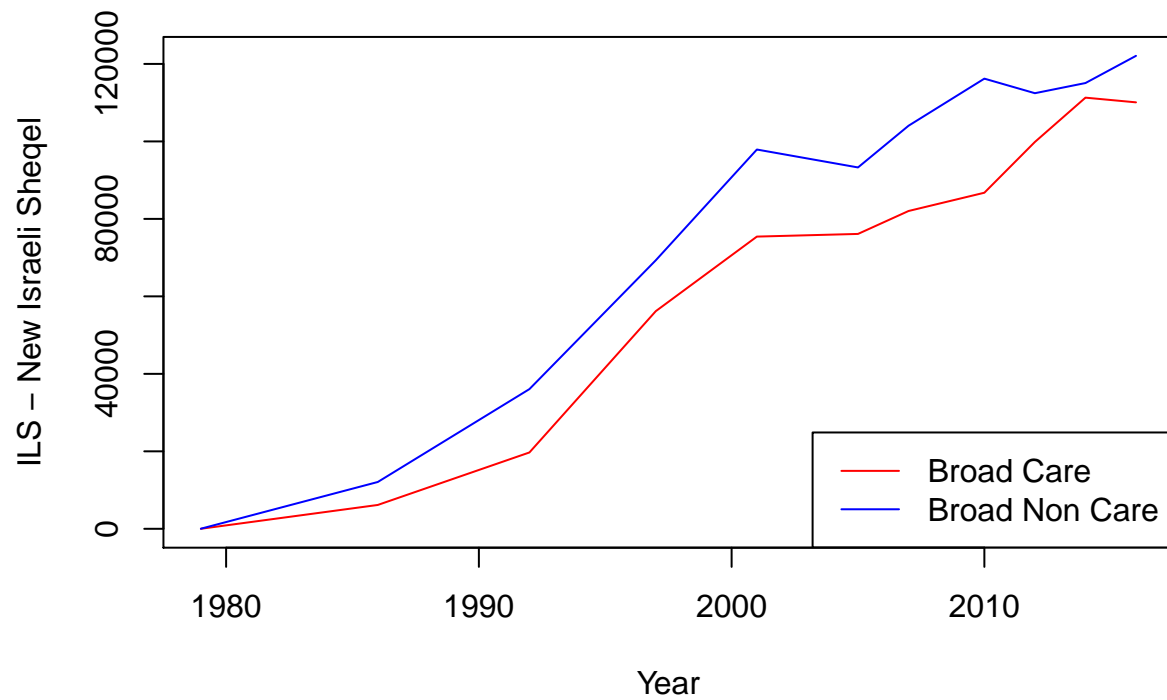

Israel

Percentage of Israel's care work industry size relative to total industry size (broad)

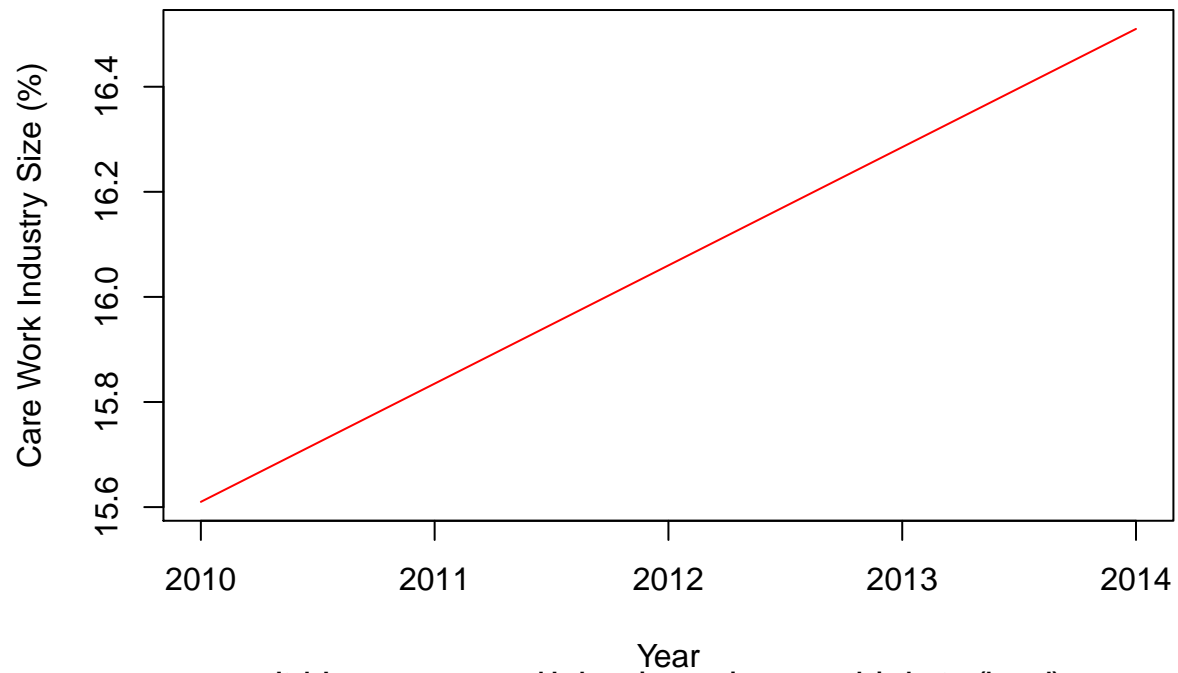

Israel's average personal Labour income in care work industry (broad)

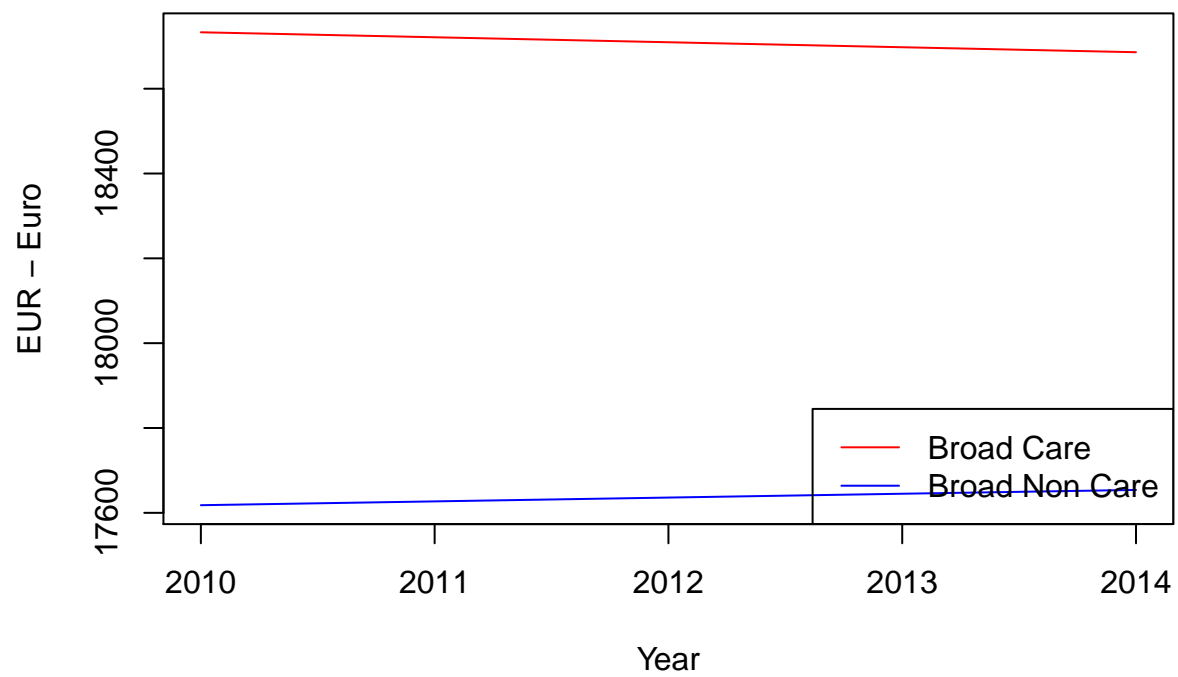

Italy

Percentage of Italy's care work industry size relative to total industry size (broad)

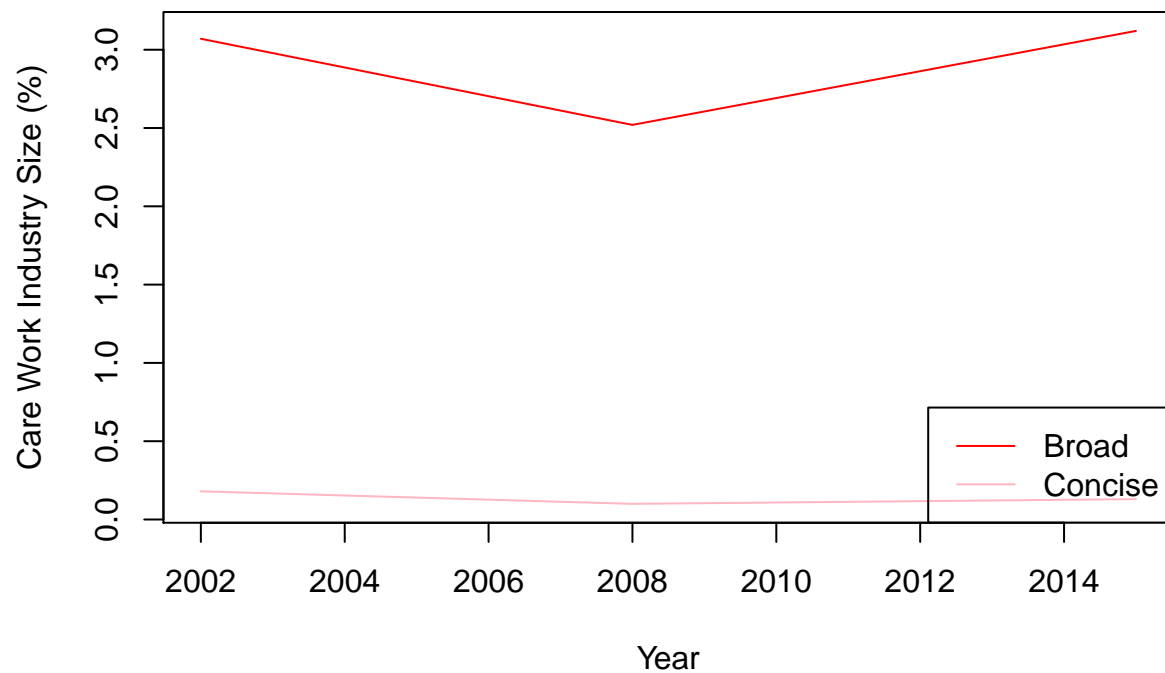

Italy's average personal Labour income in care work industry (broad)

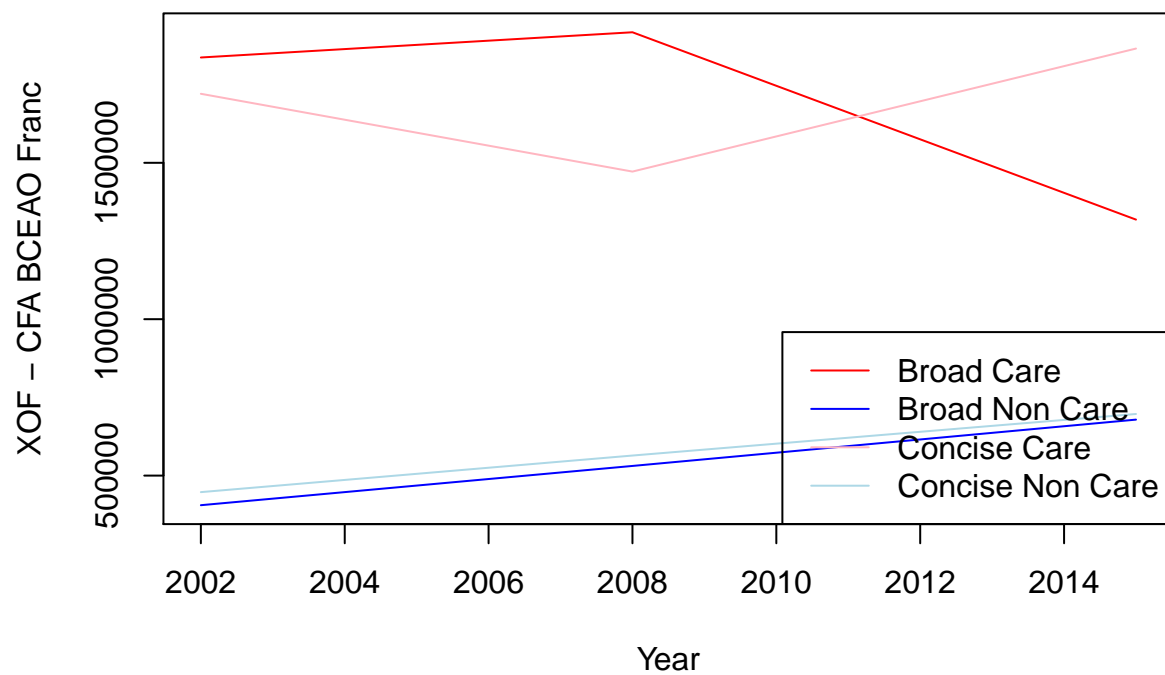

Ivory Coast

Percentage of Ivory Coast's care work industry size relative to total industry size (broad,concise)

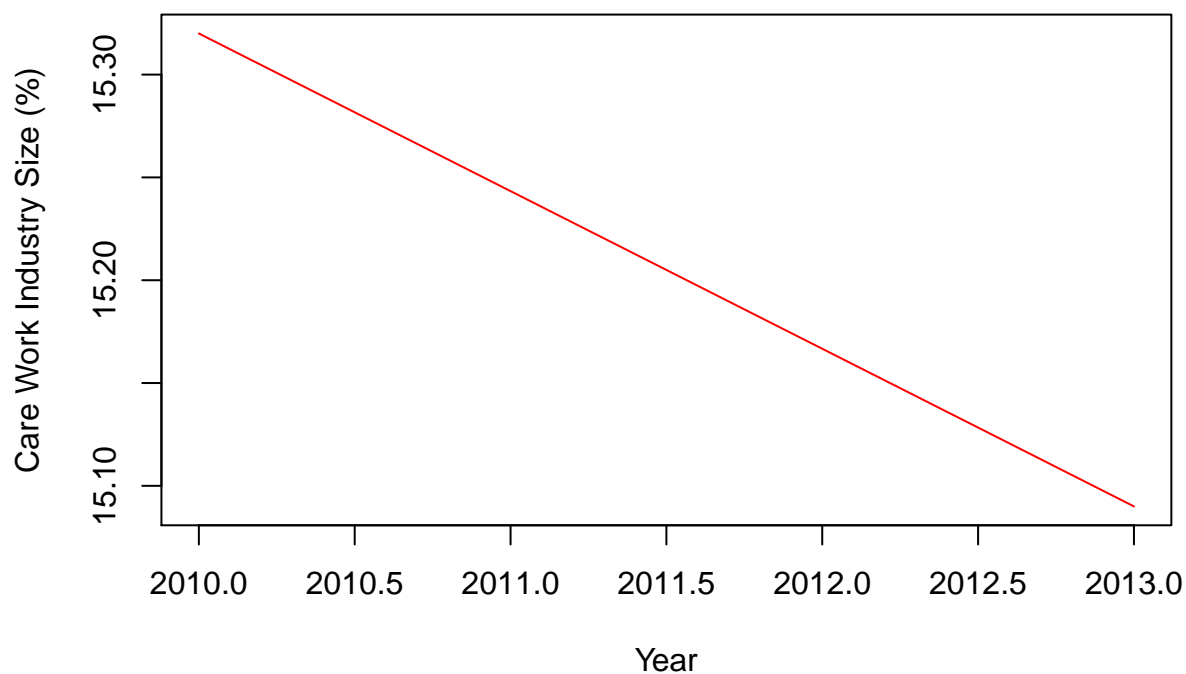

Ivory Coast's average personal Labour income in care work industry (broad,concise)

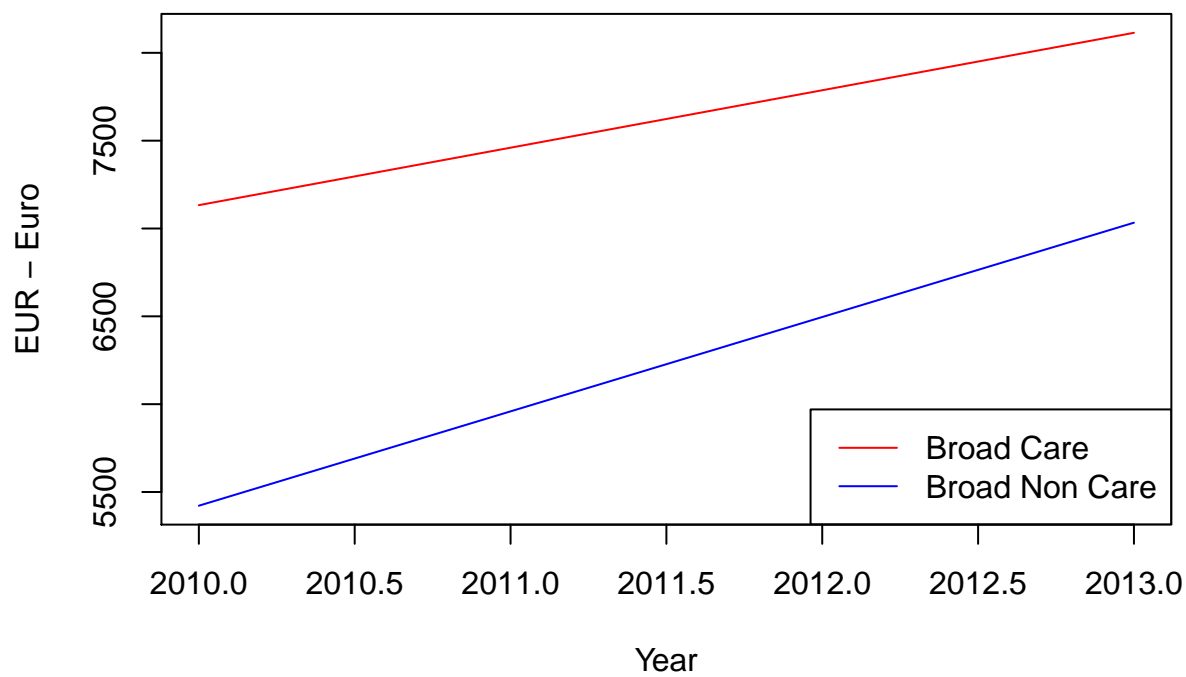

Lithuania

Percentage of Lithuania's care work industry size relative to total industry size (broad)

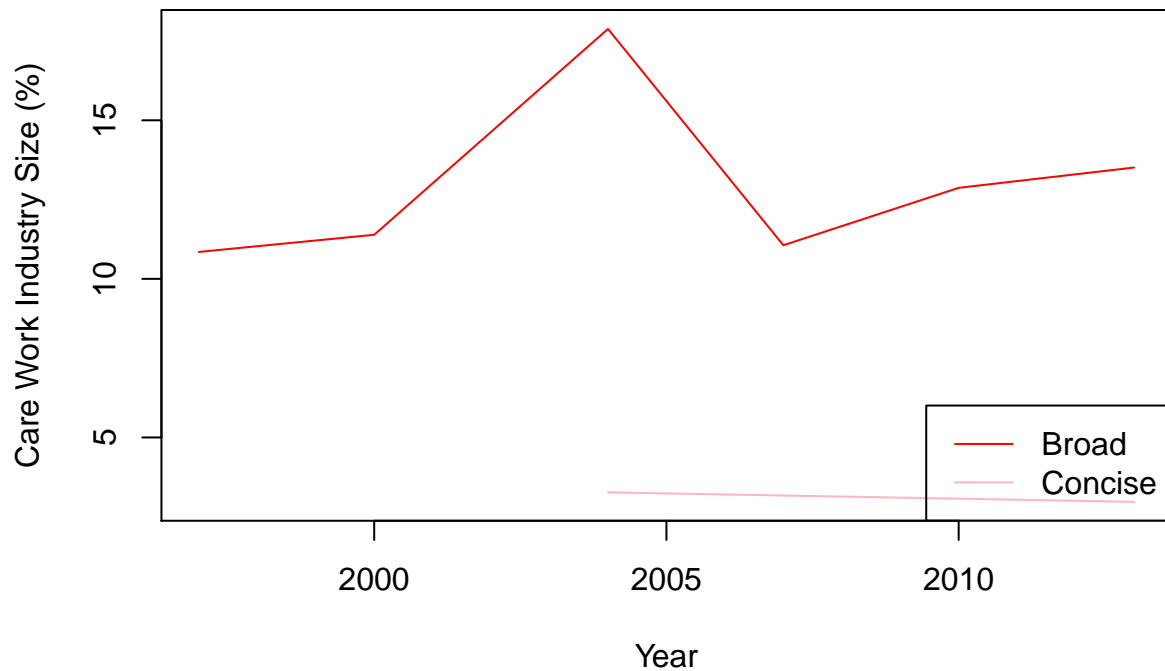

Lithuania's average personal Labour income in care work industry (broad)

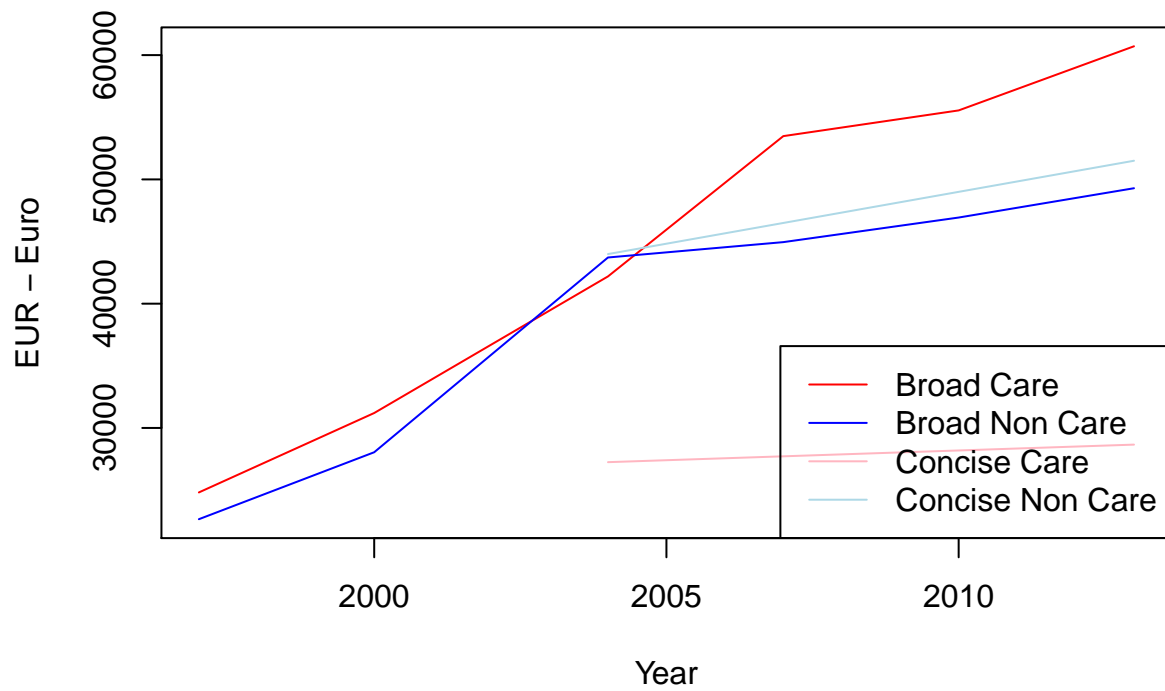

Luxembourg

Percentage of Luxembourg's care work industry size relative to total industry size (broad,concise)

Luxembourg's average personal Labour income in care work industry (broad,concise)

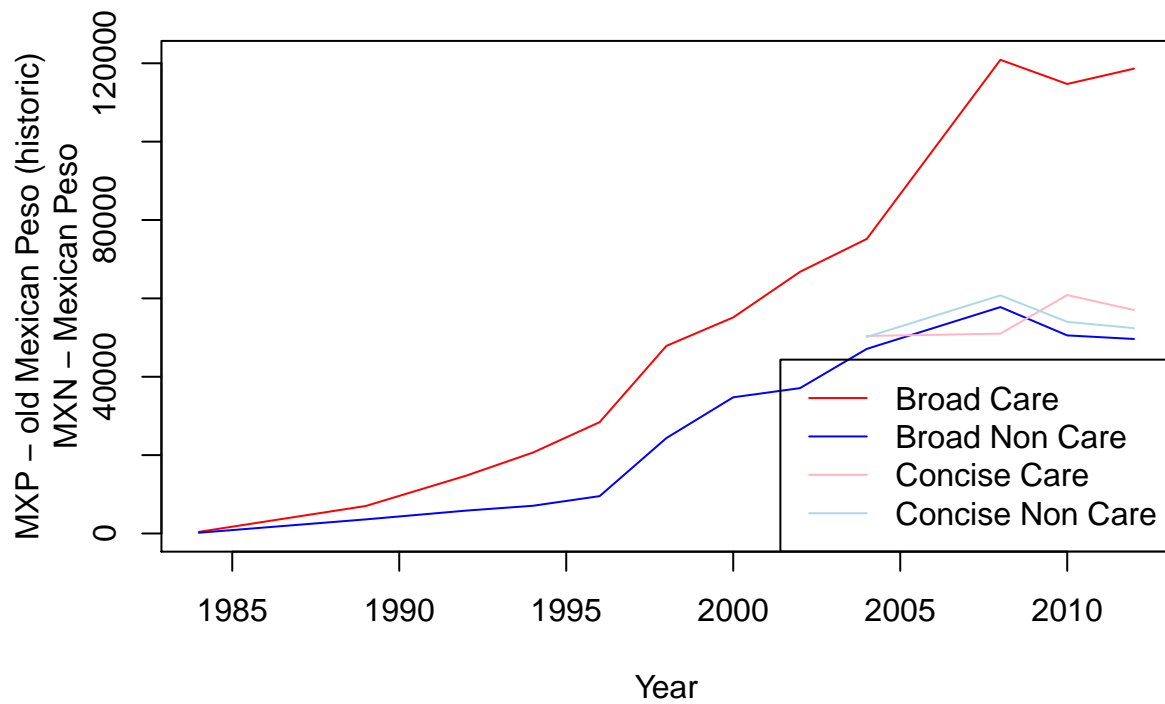

Mexico

Percentage of Mexico's care work industry size relative to total industry size (broad,concise)

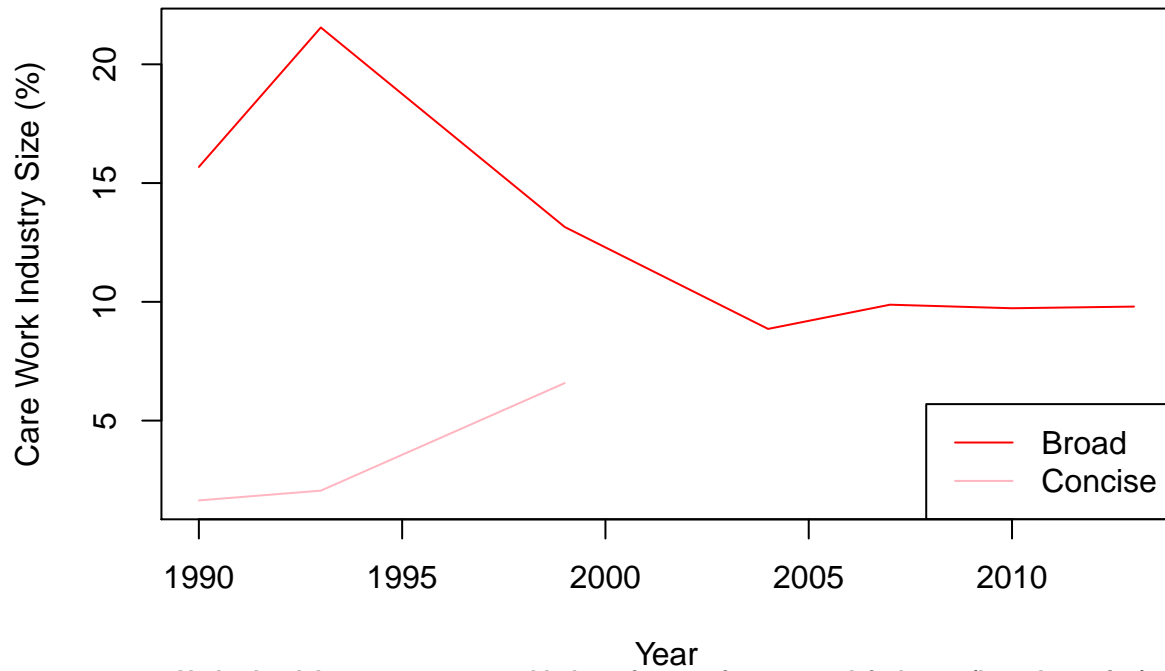

Mexico's average personal Labour income in care work industry (broad,concise)

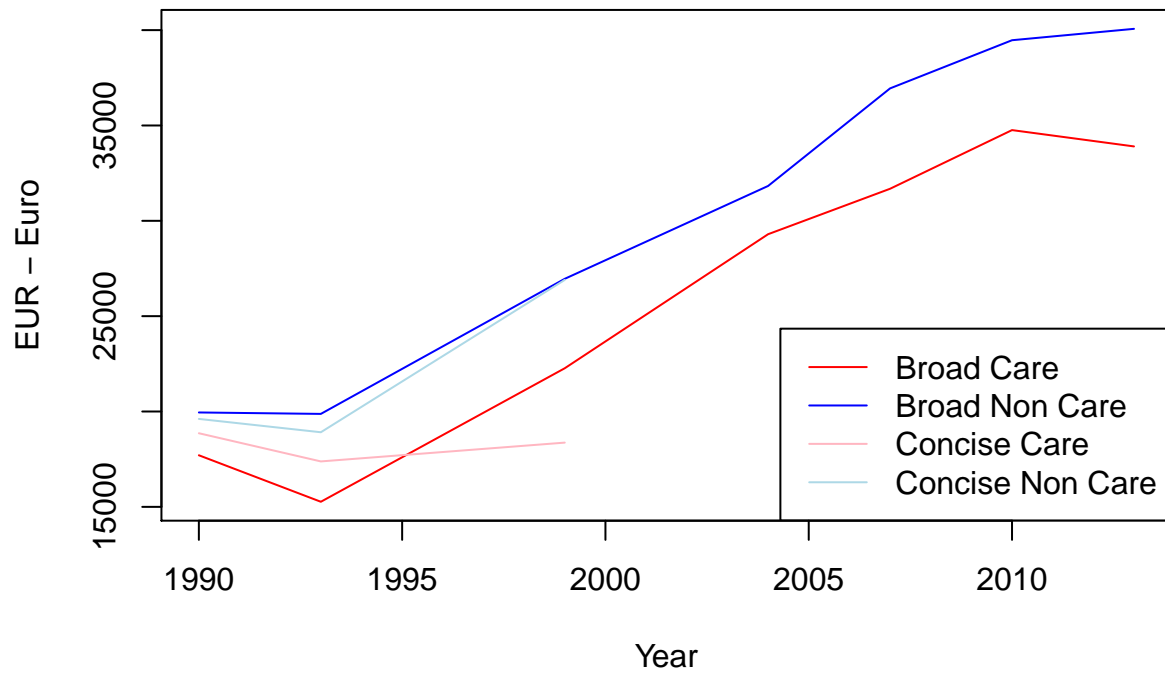

Netherlands

Percentage of Netherlands's care work industry size relative to total industry size (broad,concise)

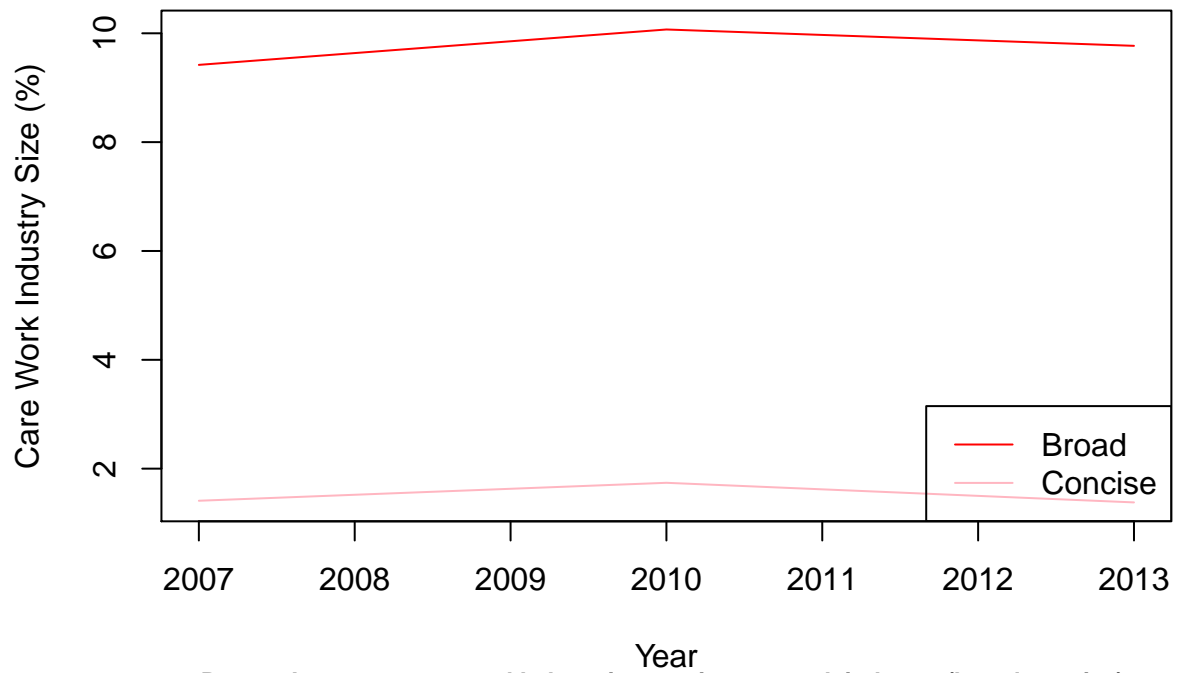

Netherlands's average personal Labour income in care work industry (broad,concise)

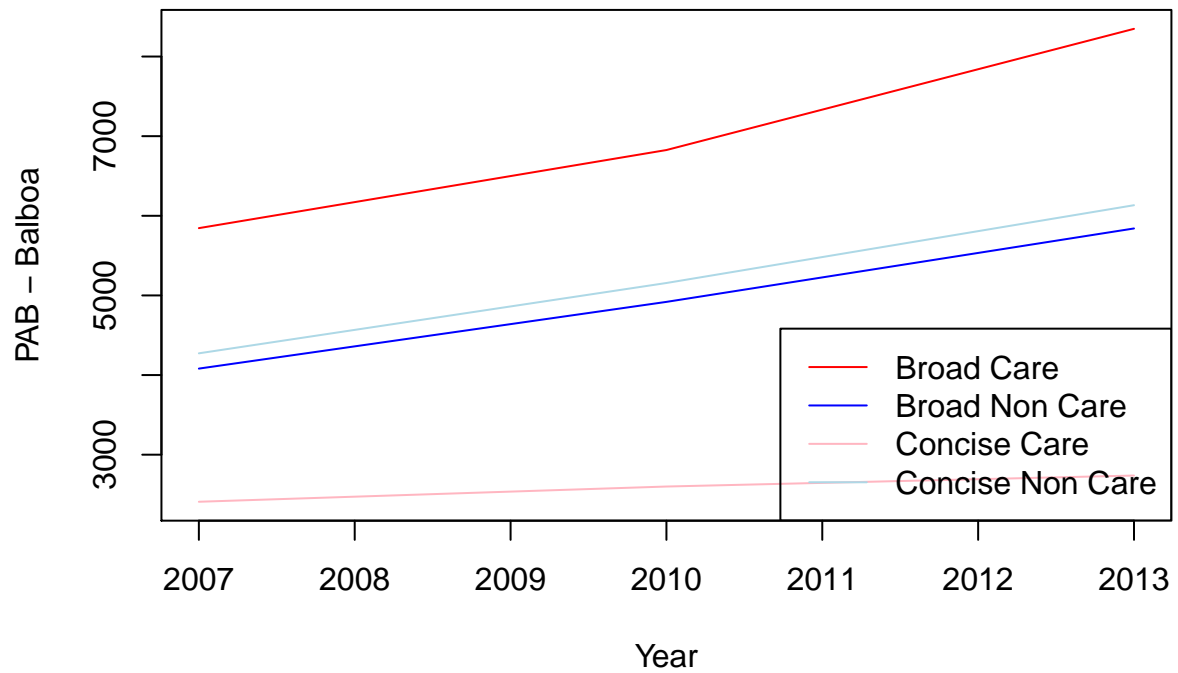

Panama

Percentage of Panama's care work industry size relative to total industry size (broad,concise)

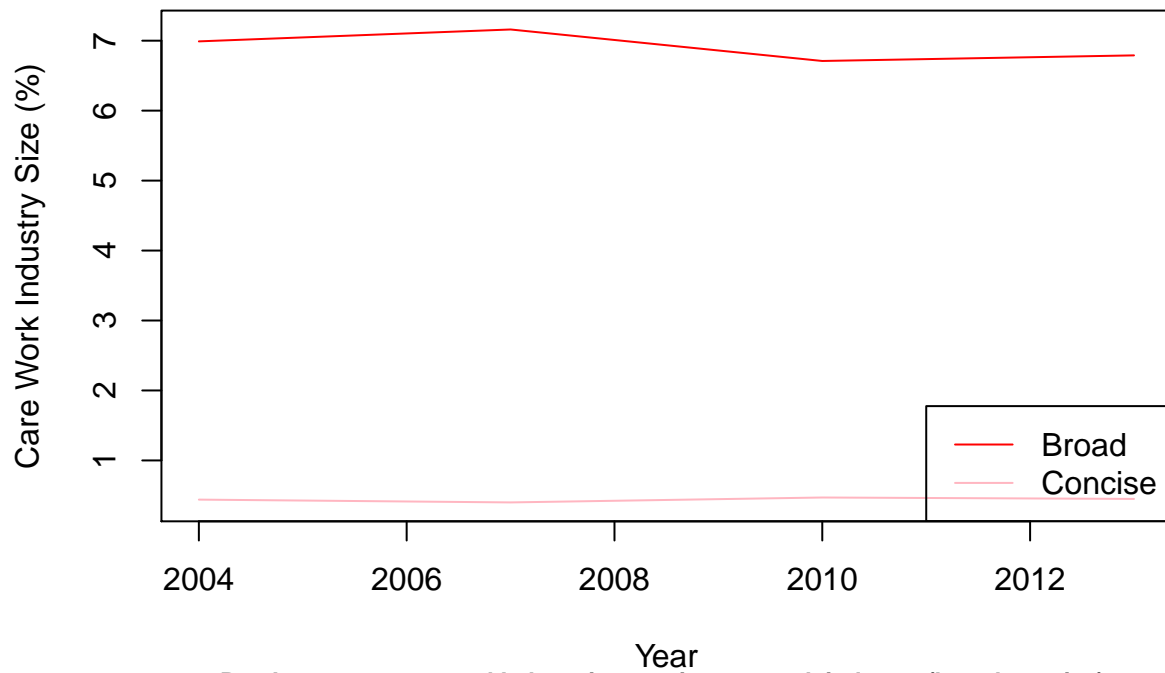

Panama's average personal Labour income in care work industry (broad,concise)

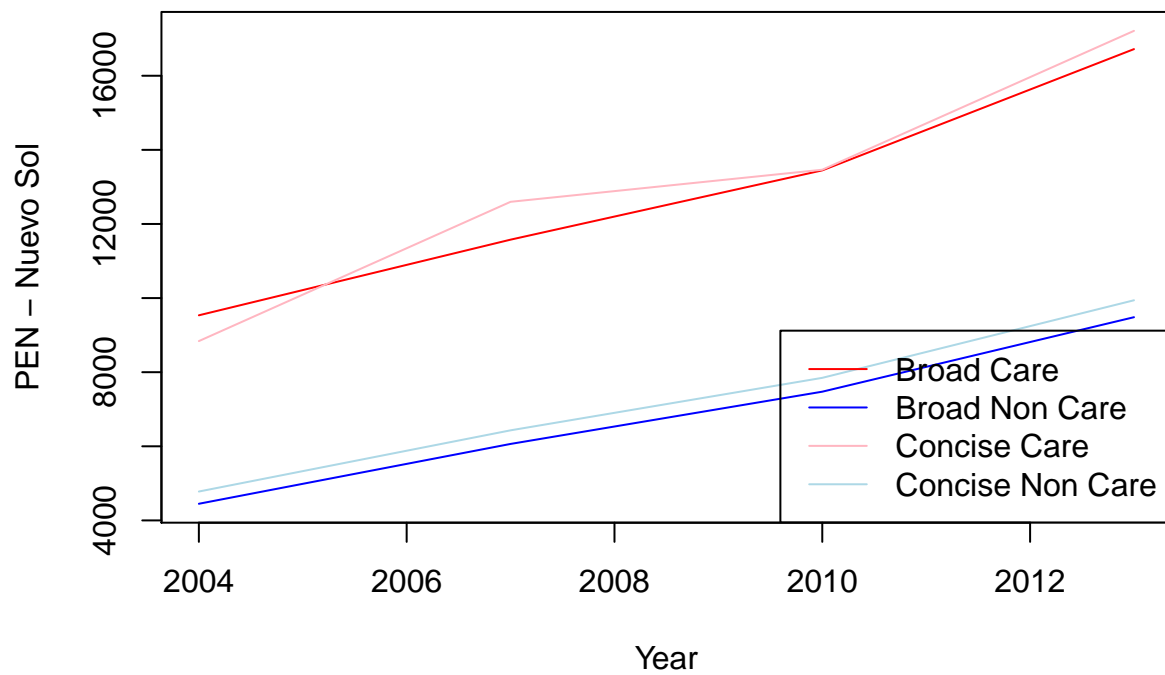

Peru

Percentage of Peru's care work industry size relative to total industry size (broad,concise)

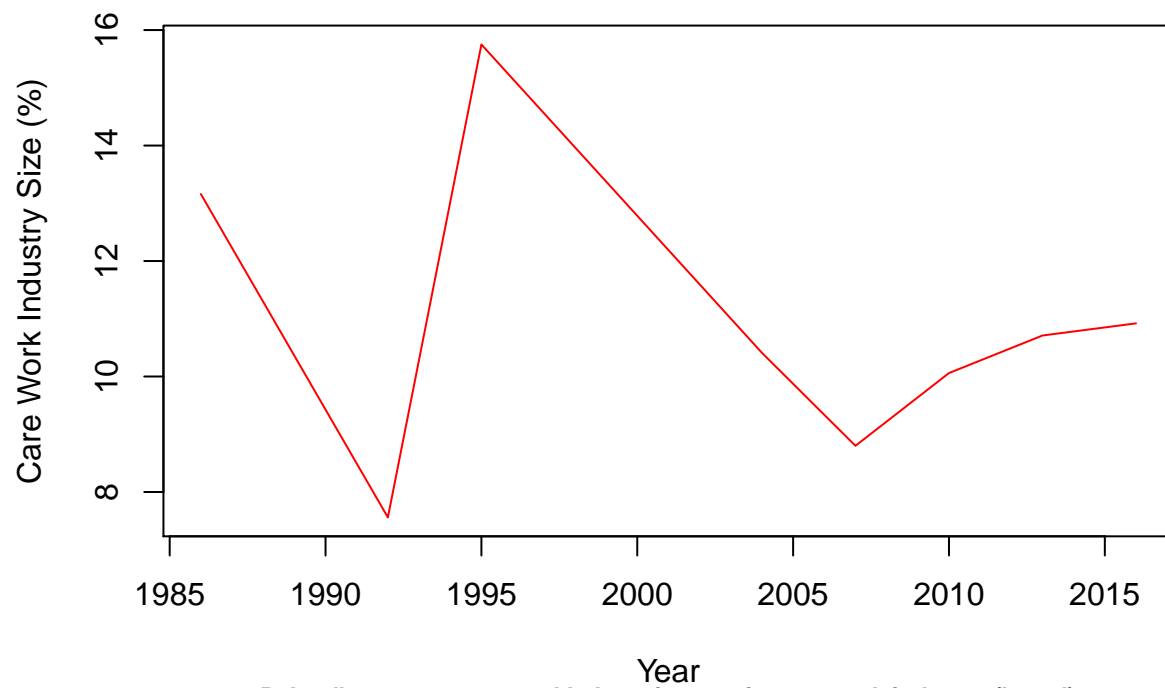

Peru's average personal Labour income in care work industry (broad,concise)

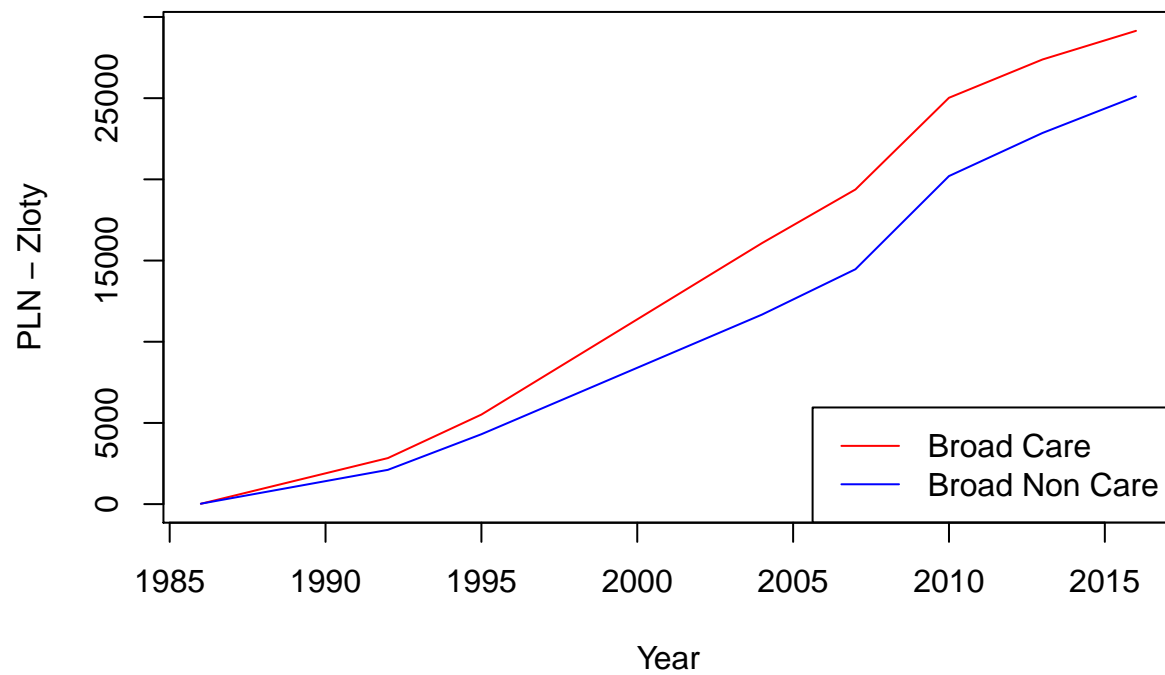

Poland

Percentage of Poland's care work industry size relative to total industry size (broad)

Poland's average personal Labour income in care work industry (broad)

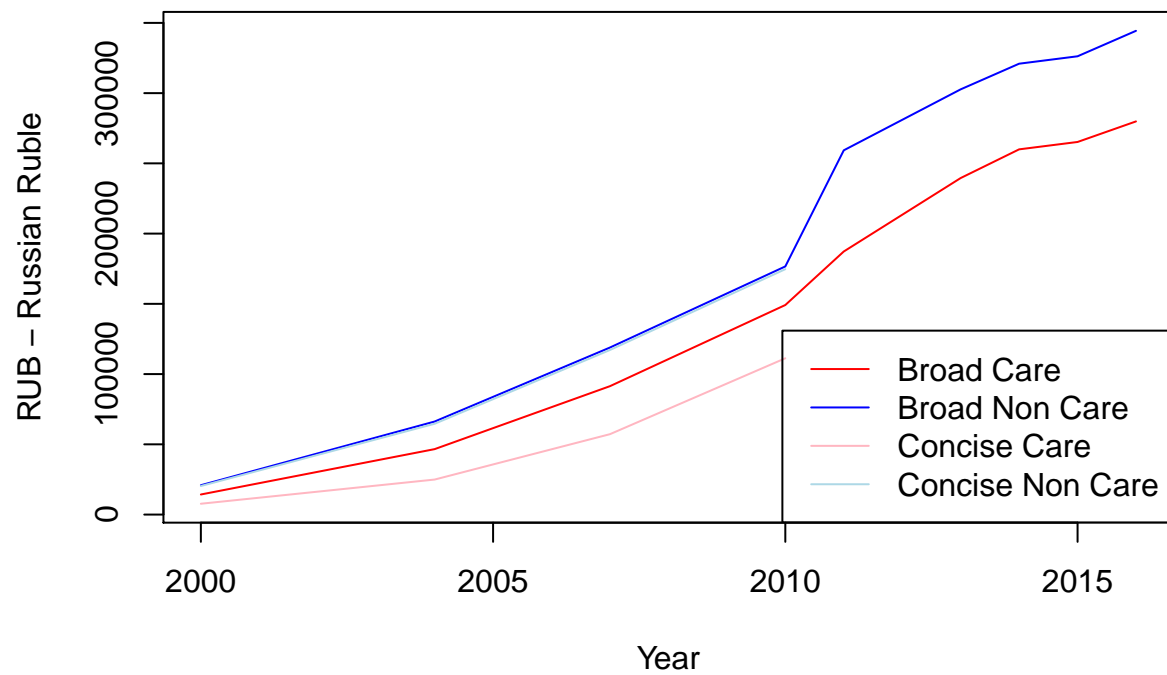

Russia

Percentage of Russia's care work industry size relative to total industry size (broad,concise)

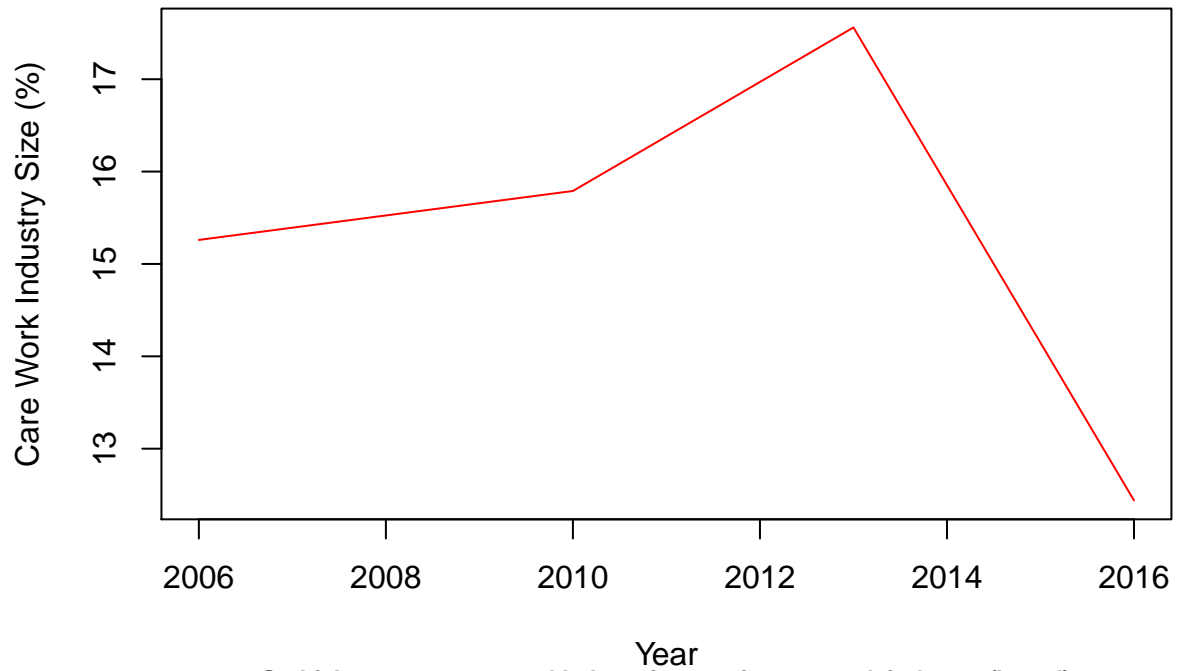

Russia's average personal Labour income in care work industry (broad,concise)

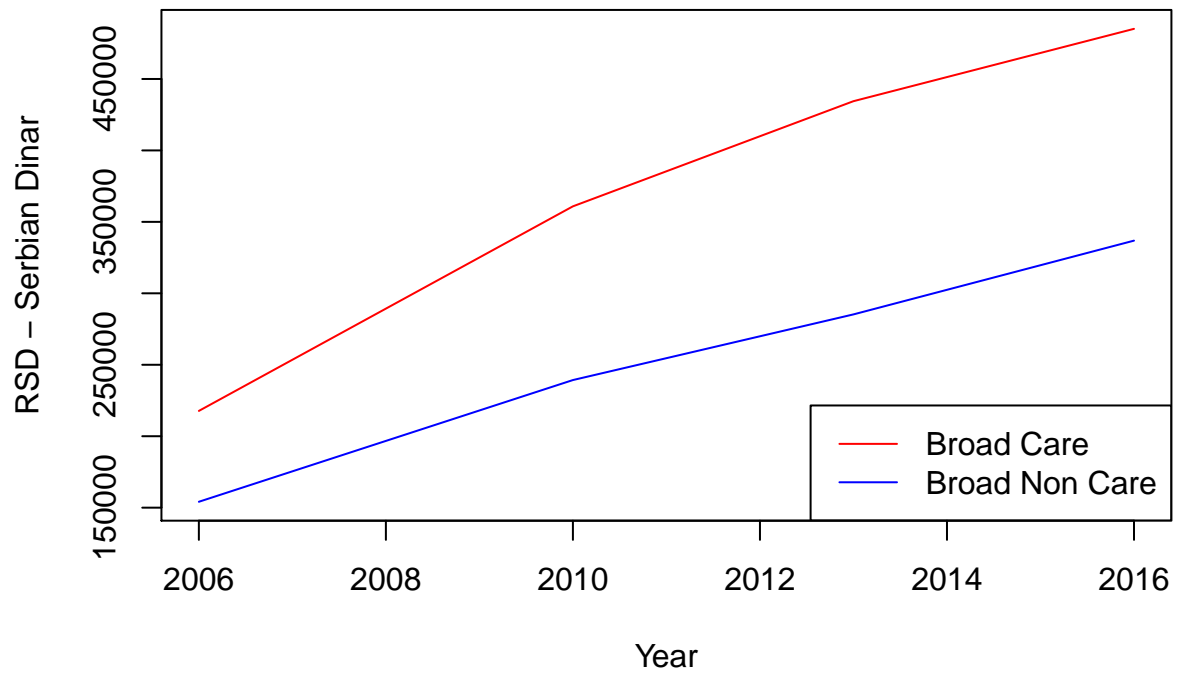

Serbia

Percentage of Serbia's care work industry size relative to total industry size (broad)

Serbia's average personal Labour income in care work industry (broad)

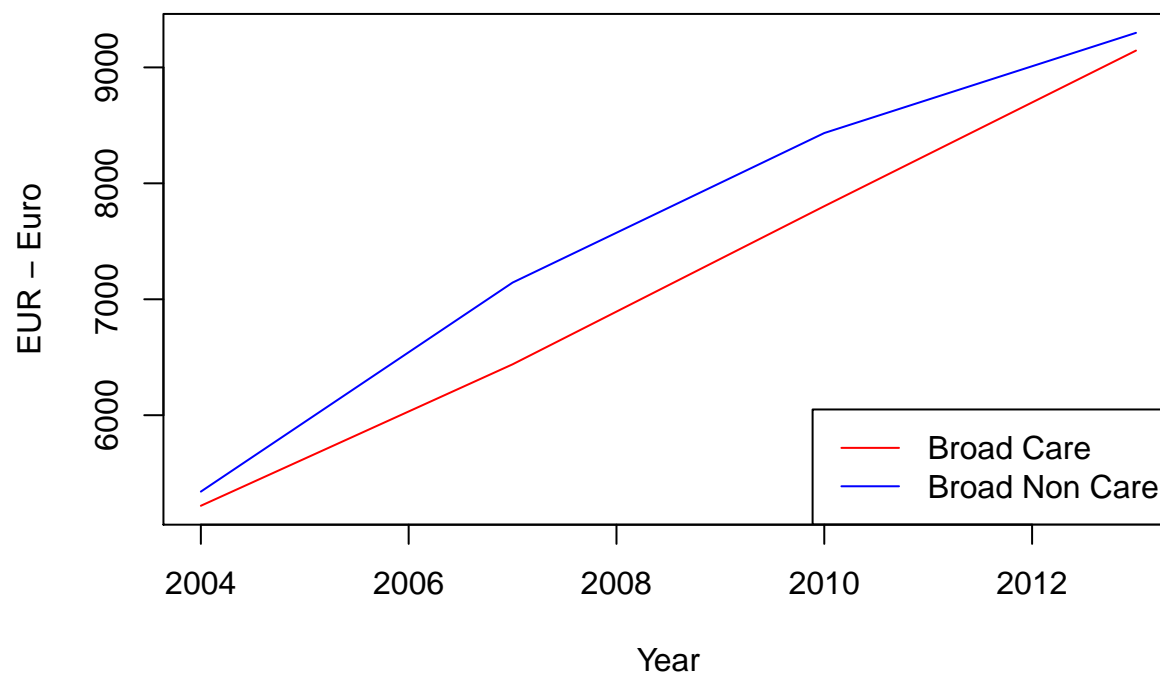

Slovakia

Percentage of Slovakia's care work industry size relative to total industry size (broad)

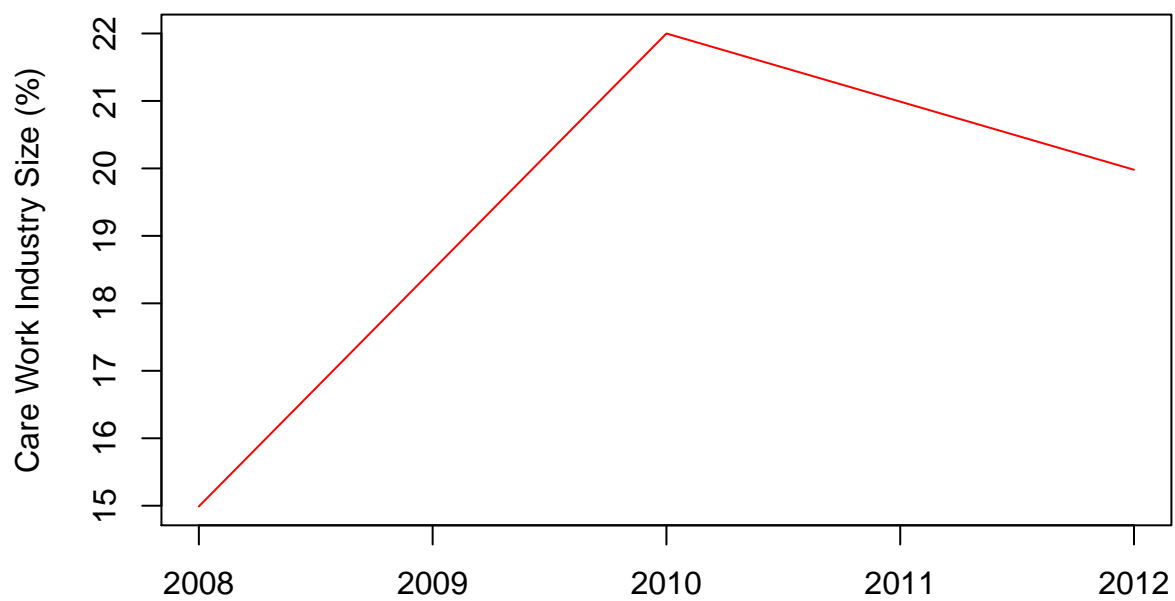

Slovakia's average personal Labour income in care work industry (broad)

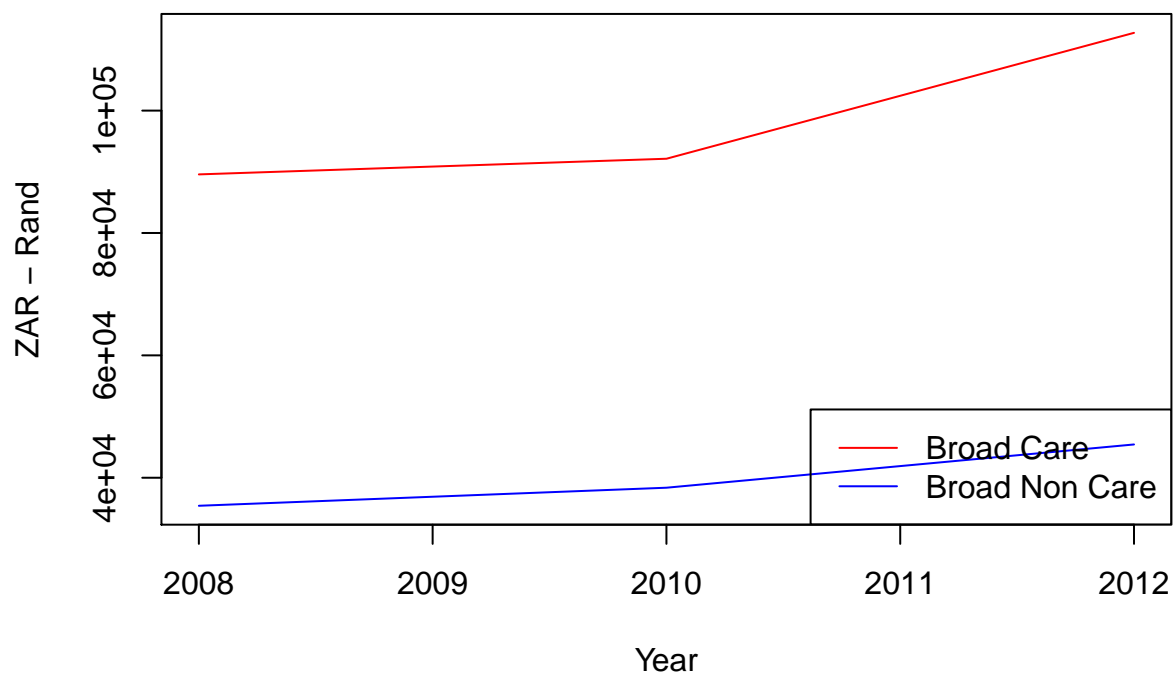

South Africa

Percentage of South Africa's care work industry size relative to total industry size (broad)

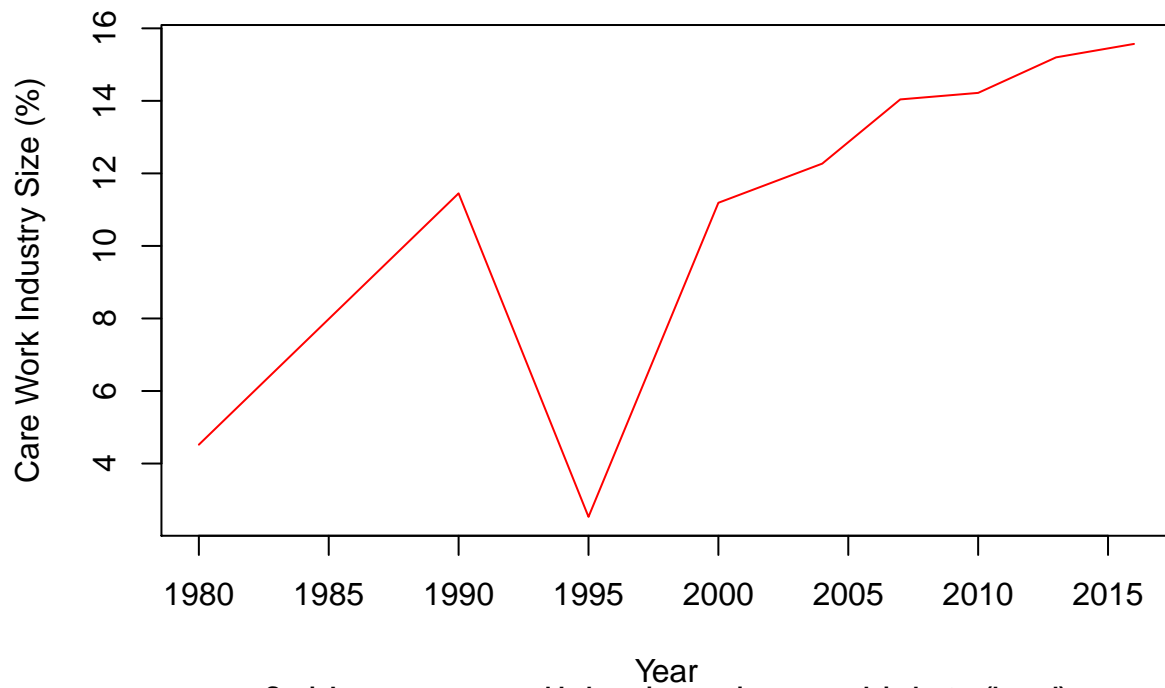

South Africa's average personal Labour income in care work industry (broad)

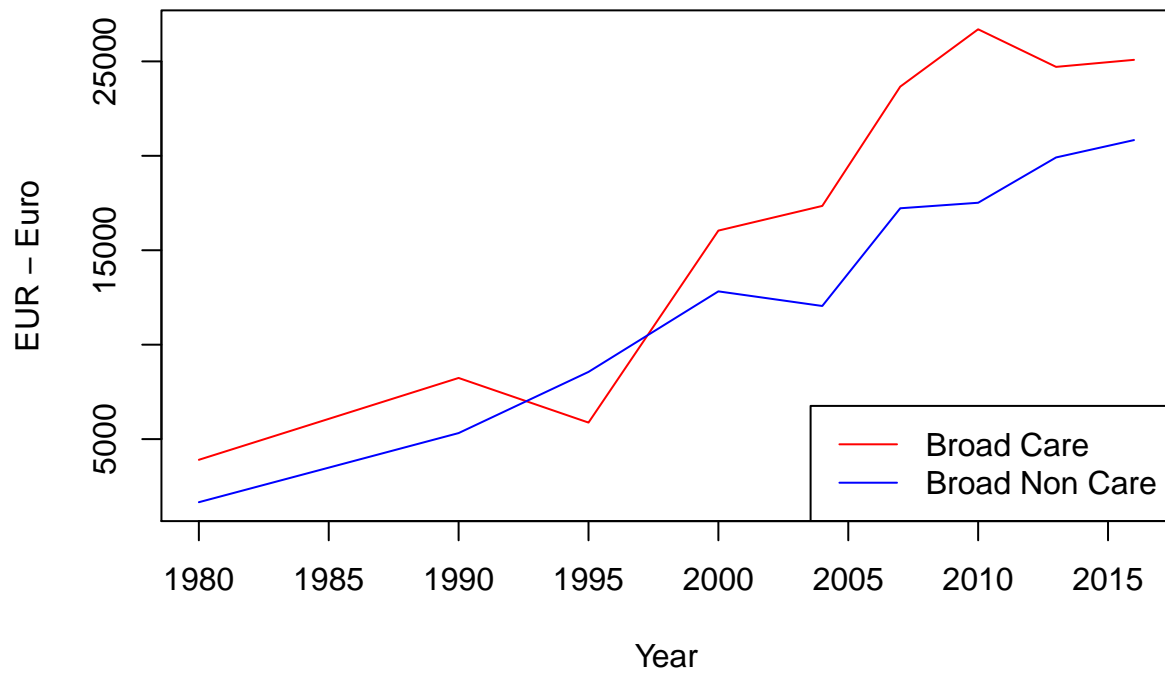

Spain

Percentage of Spain's care work industry size relative to total industry size (broad)

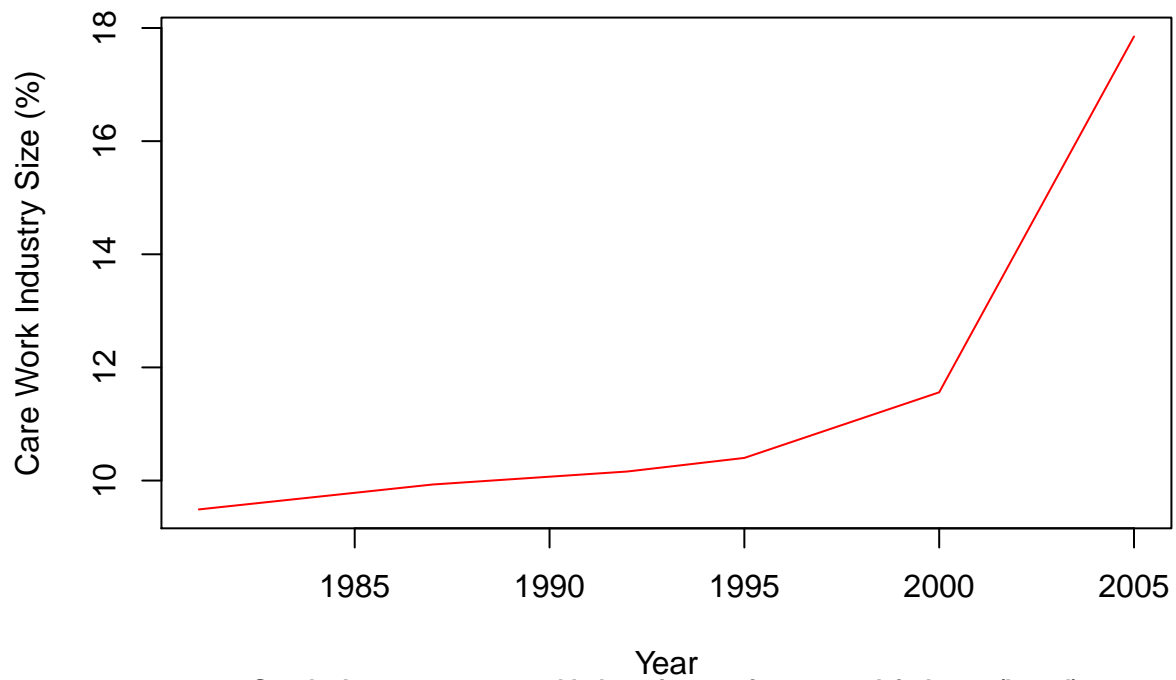

Spain's average personal Labour income in care work industry (broad)

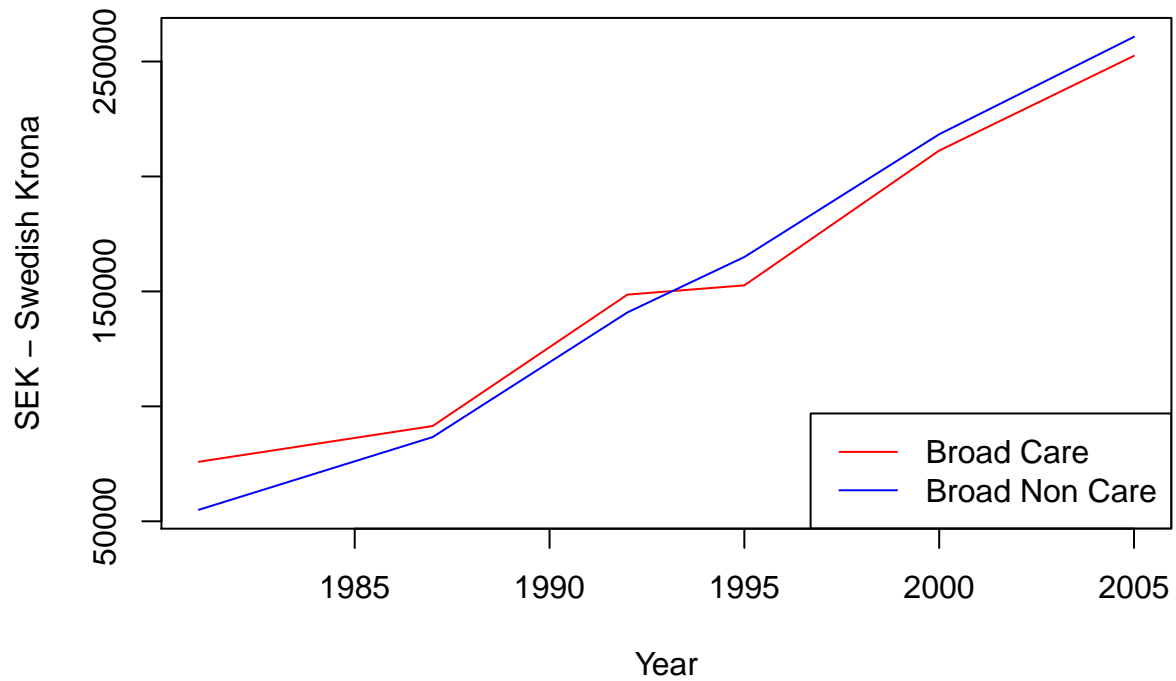

Sweden

Percentage of Sweden's care work industry size relative to total industry size (broad)

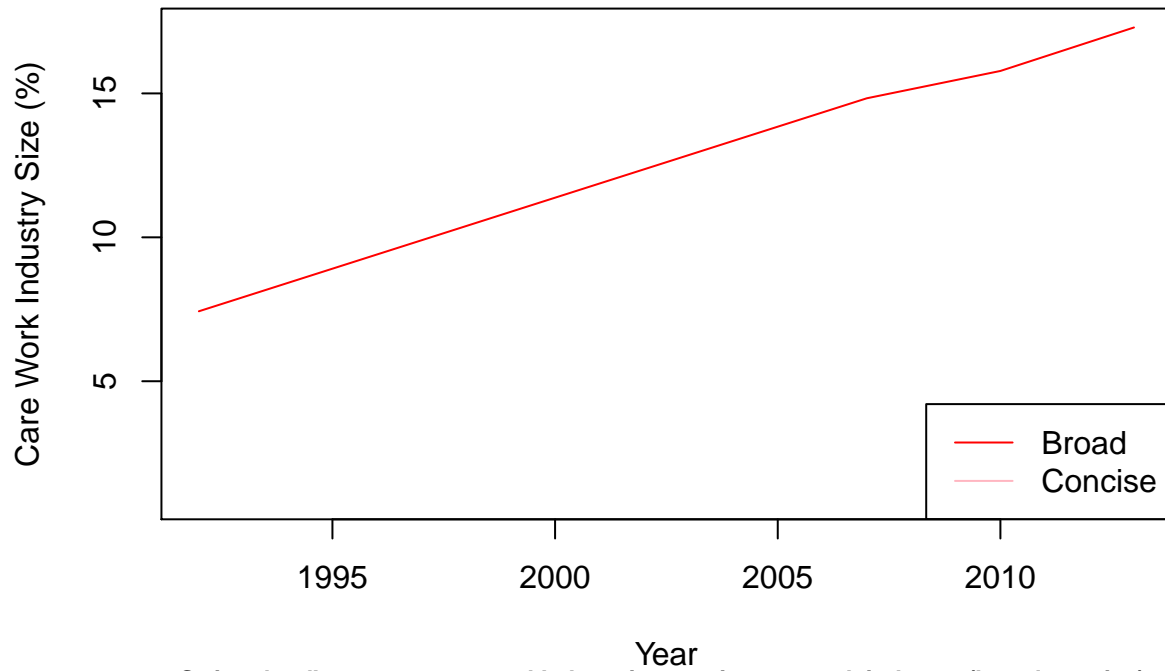

Sweden's average personal Labour income in care work industry (broad)

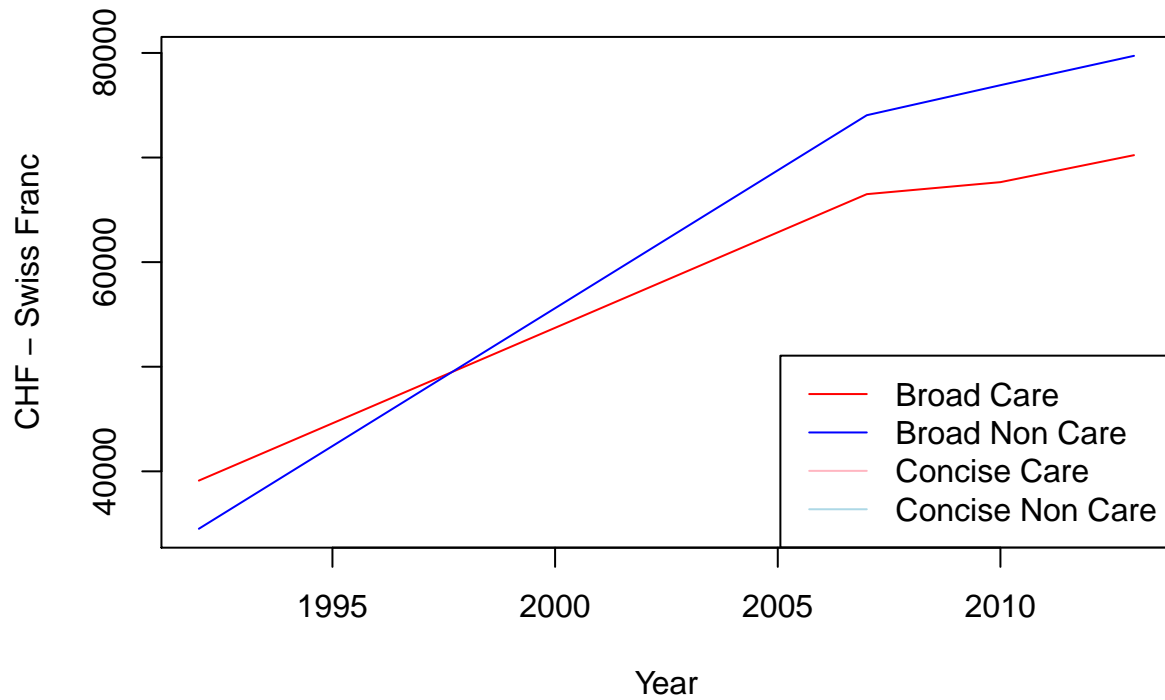

Switzerland

Percentage of Switzerland's care work industry size relative to total industry size (broad,concise)

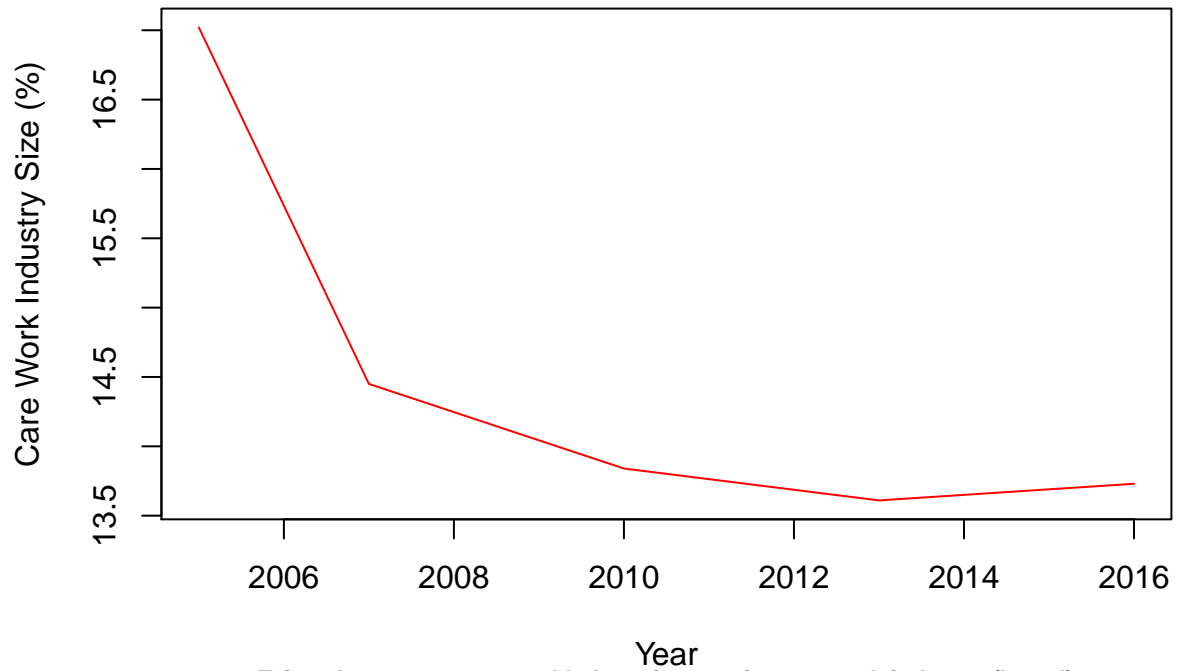

Switzerland's average personal Labour income in care work industry (broad,concise)

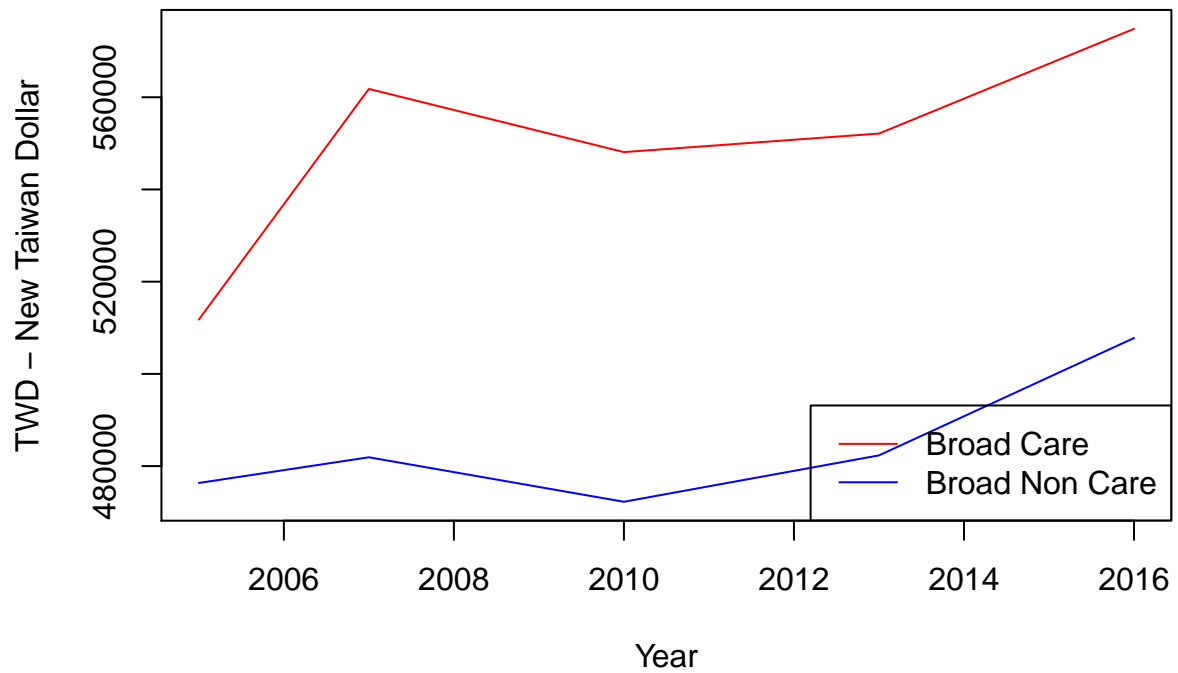

Taiwan

Percentage of Taiwan's care work industry size relative to total industry size (broad)

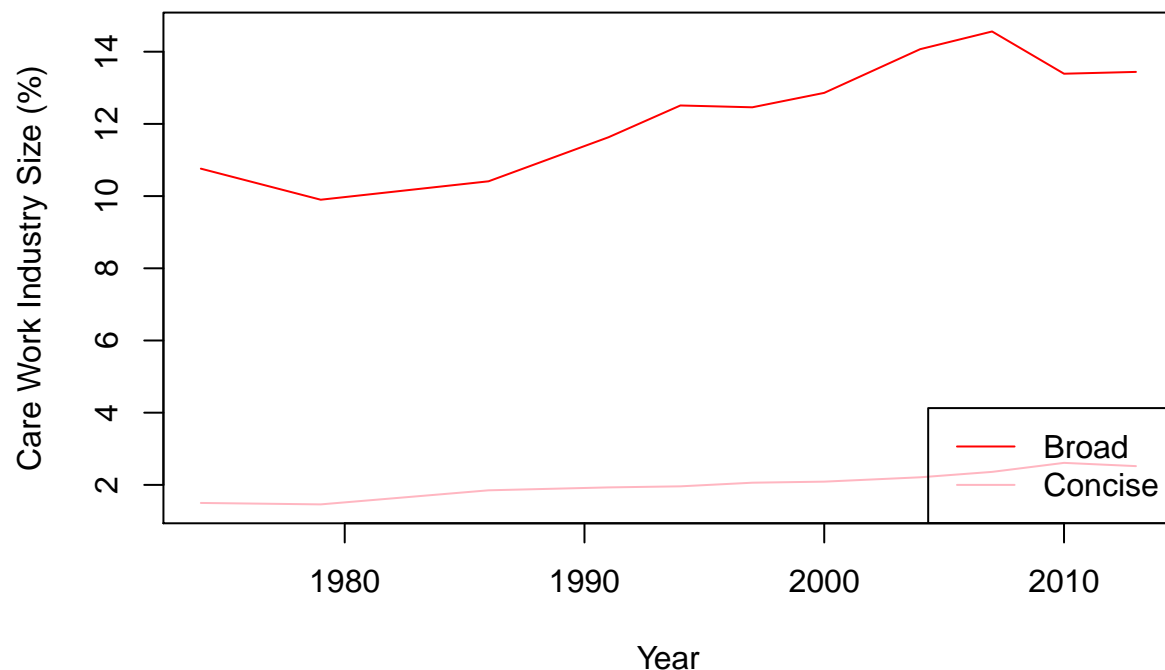

Taiwan's average personal Labour income in care work industry (broad)

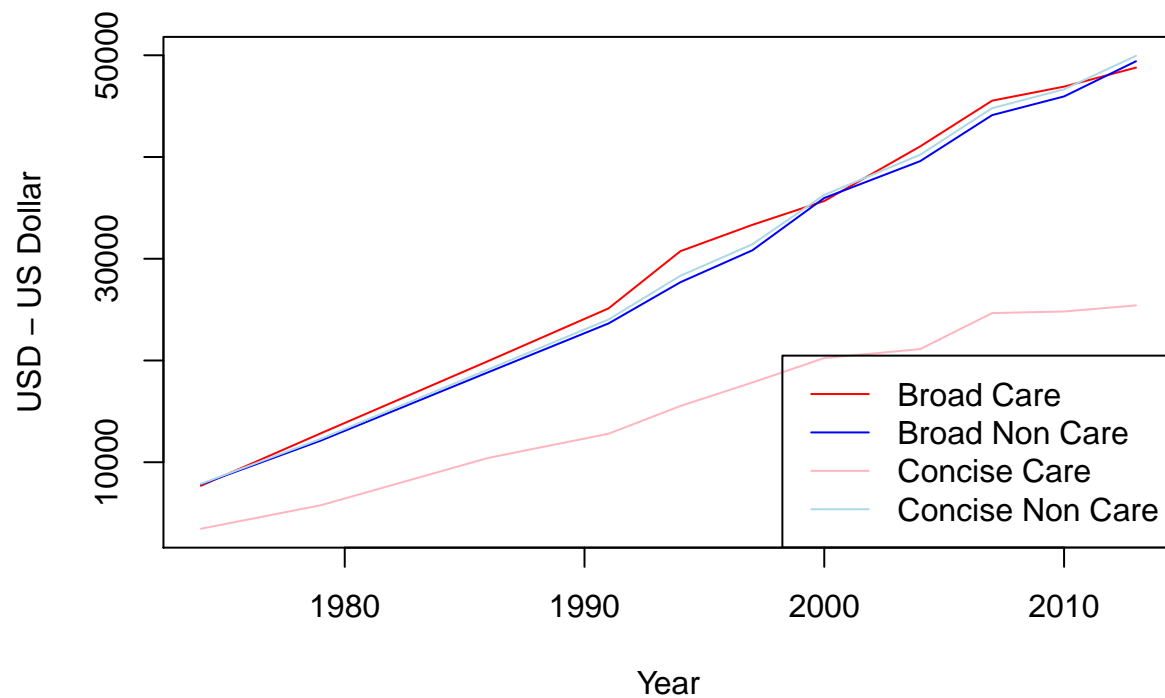

United States

Percentage of United States's care work industry size relative to total industry size (broad,concise)

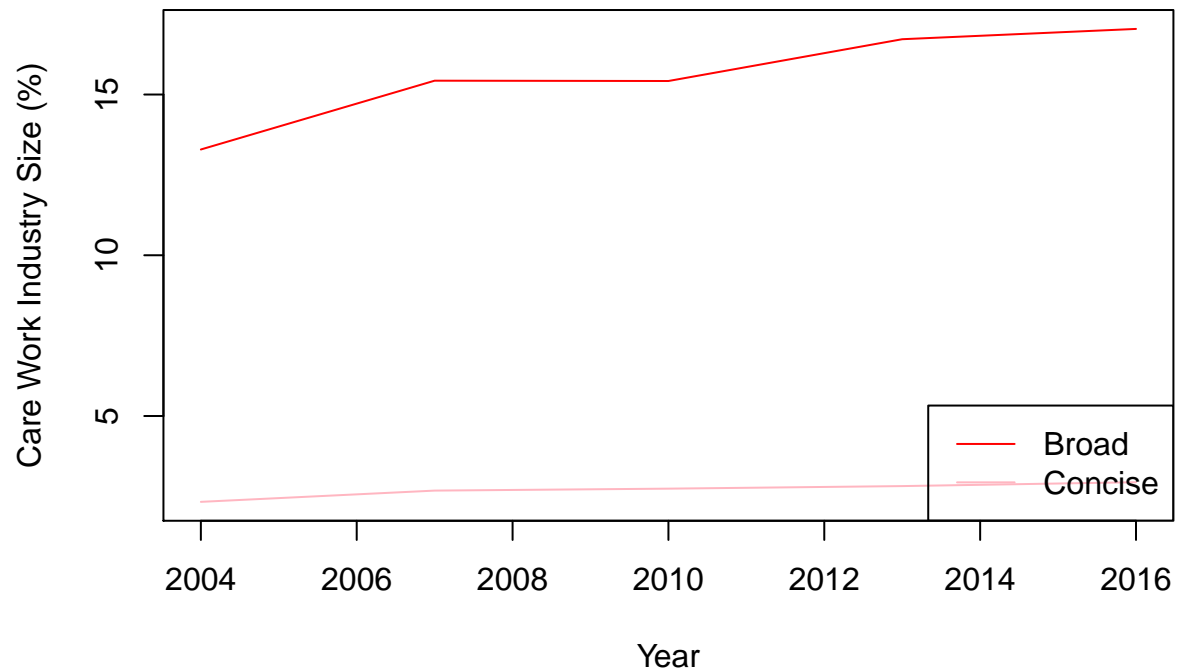

United States's average personal Labour income in care work industry (broad,concise)

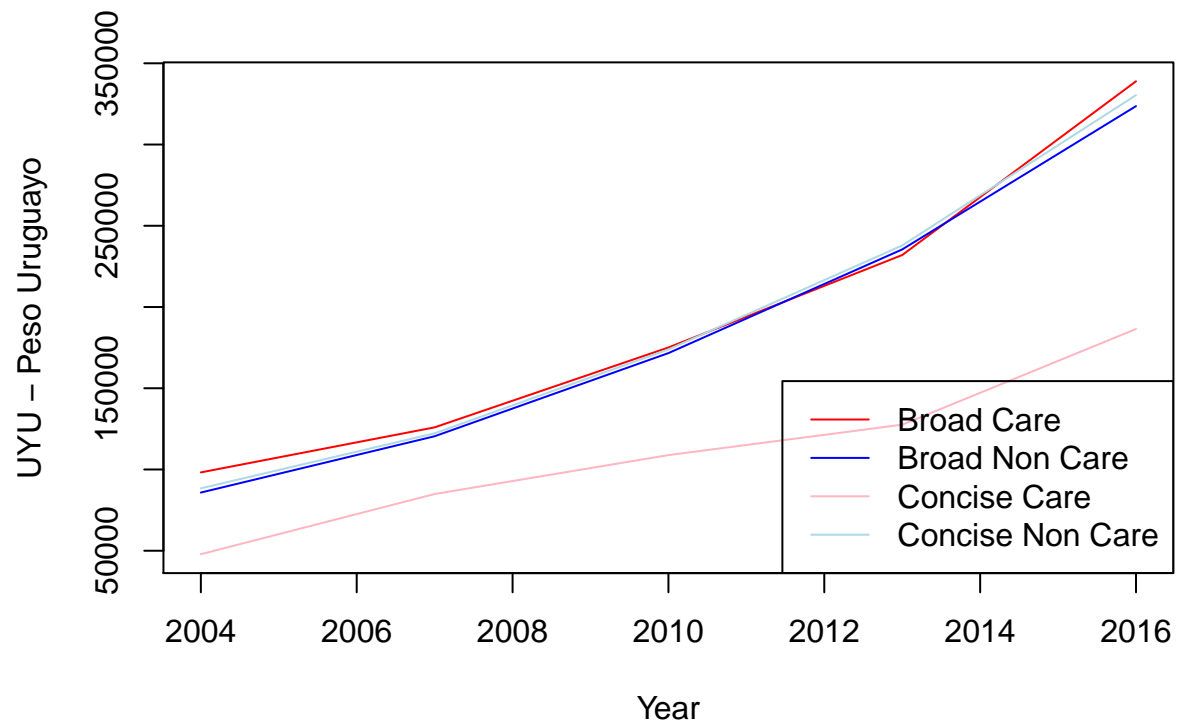

Uruguay

Percentage of Uruguay's care work industry size relative to total industry size (broad,concise)

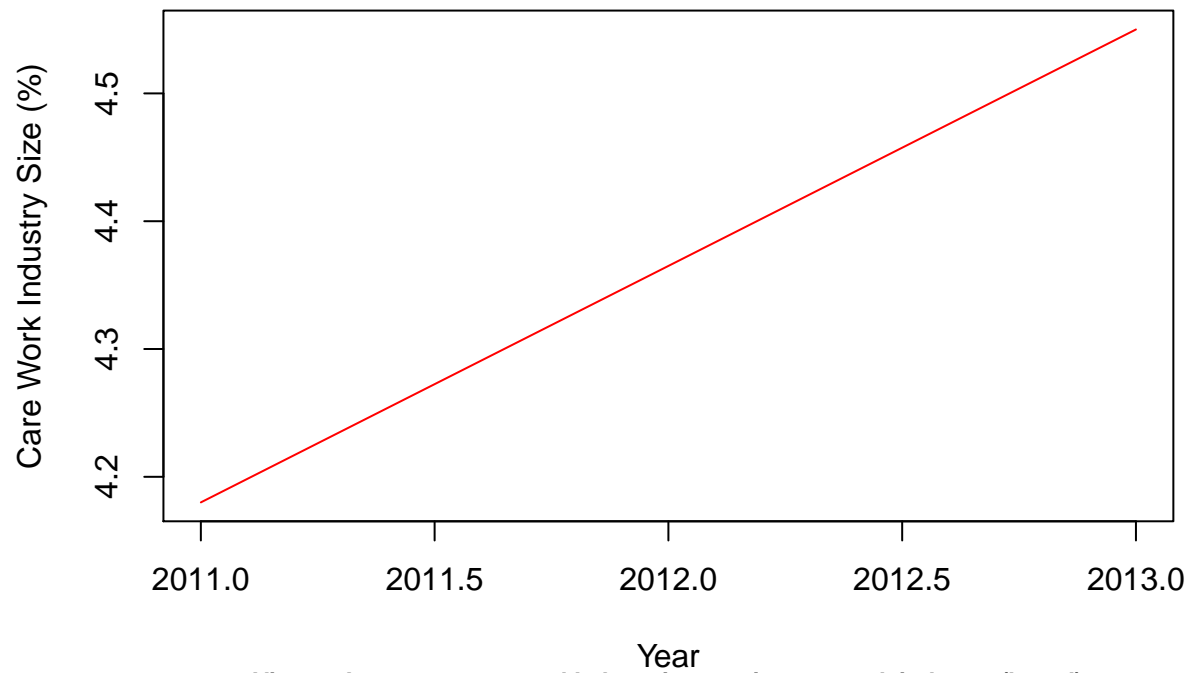

Uruguay's average personal Labour income in care work industry (broad,concise)

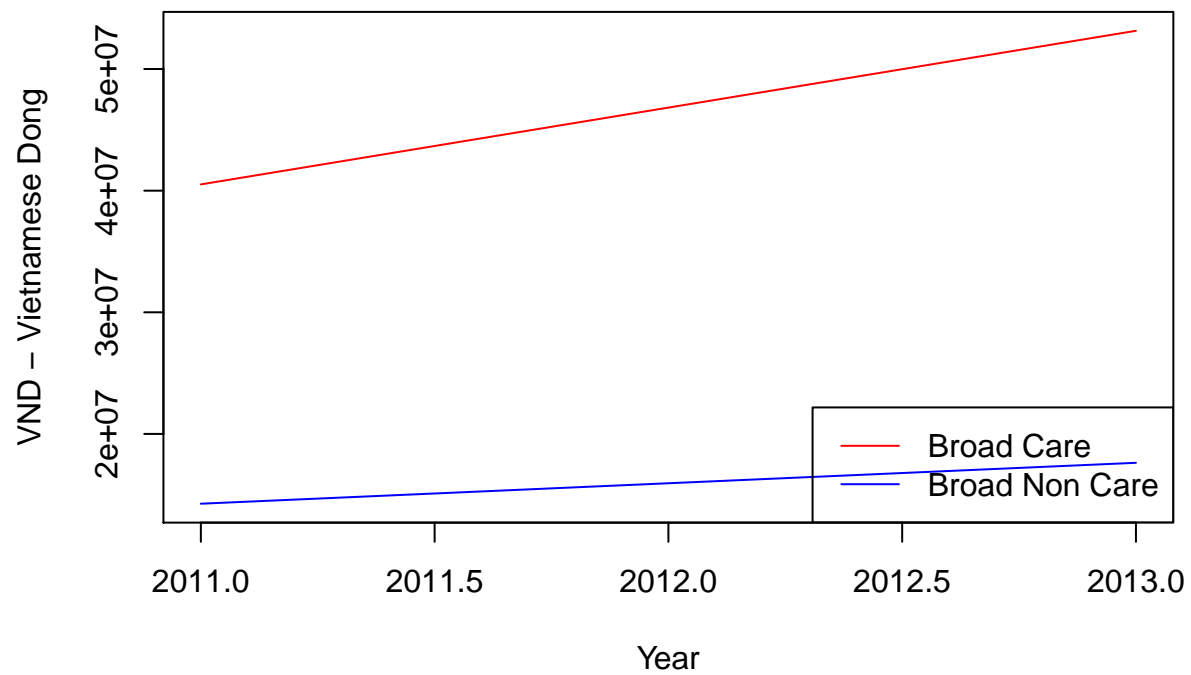

Vietnam

Percentage of Vietnam's care work industry size relative to total industry size (broad)

Vietnam's average personal Labour income in care work industry (broad)

Sweden, Italy, U.S.
